PRODUCT DESCRIPTION: FROG BAM®, when used with the complete POOL FROG® Mineral System, protects a swimming pool against even the toughest algae. Just one initial dose will prevent algae for a full 90 days. It’s one of a kind formula works so well, using once every 3 months ensures no messy algae clean-ups and no weekly additives. It’s easy. It's effective. It's powerful! FROG BAM® - from the makers of FROG® - the water treatment experts.

DIRECTIONS FOR USE: It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

PREVENTATIVE DOSAGE RATES: Use one FROG BAM® for pools up to 15,000 gallons of water every 3 months. Use two FROG BAM® for pools between 15,000 and 30,000 gallons of water every 3 months.

TREATMENT DOSAGE RATES: Use two FROG BAM® for pools up to 15,000 gallons of water. Use four FROG BAM® for pools between 15,000 and 30,000 gallons of water.

PLACEMENT: Turn circulation pump off, turn dial to Pac Removal, Setting 3 or OFF depending on the model, and remove cap from Cyclor. Remove cap from FROG BAM® without removing the seal and insert container upside down into the center of the POOL FROG® Mineral Reservoir pushing down firmly to puncture seal. Replace the cap on the Cyclor. Turn dial to the Cyclor to Maximum, Setting 5 or ON depending on the model and turn pump on for 90 minutes allowing FROG BAM® to circulate through the pool.

REMOVAL: Turn pump off, turn dial to Pac Removal, Setting 3 or OFF and remove Cyclor cap. Lift the FROG BAM® container up and allow any water in the container to drain through the Cyclor before discarding. NOTE: After discarding FROG BAM®, if water shows more than a hint of blue inside Cyclor, replace the Cyclor cap, turn dial to Maximum, Setting 5 or ON and run the pump for one minute. Repeat Placement and Removal instructions if additional FROG BAM® is required. Then insert a POOL FROG® chlorine Bac Pac following the directions on its label.

90 DAY ALGAE PROTECTION
KEEP OUT OF REACH OF CHILDREN
CAUTION
See additional cautions on back panel

Active Ingredient:
Elemental Copper as Triethanolamine Complex . . . 3.03%
Other Ingredients: ........................................ 96.97%
Total ..................................................100.00%
Contains 0.32 lb of Elemental Copper per Gallon

GENERAL DIRECTIONS: Do not use with any other copper based products.
1) Maintain pH of pool water between 7.2 to 7.8. Adjust the pH to 7.2 for severe algae. 2) Ensure the filtration system is working properly and the filtration cycle is adequate. 3) A regular brushing program will assist in the removal of stubborn algae. 4) While FROG BAM® controls algae, it is important that adequate levels of sanitizers (chlorine) be maintained to control bacterial growth. 5) Do not super chlorinate 48 hours before or after using this product. 6) Avoid adding other chemicals until this product has been circulated (filtered) for at least 24 hours.

PRECAUTIONARY STATEMENTS: HAZARDS TO HUMANS AND DOMESTIC ANIMALS. CAUTION. FROG BAM® may cause eye irritation and skin damage. Do not get in eyes or on clothing. In case of contact, wash thoroughly. For eyes, flush with plenty of water and get medical attention immediately. Harmful if swallowed. Do not induce vomiting or give anything by mouth to an unconscious person. If swallowed call a doctor.

ENVIRONMENTAL HAZARDS: This product is toxic to fish. Treated effluent should not be discharged in lakes, ponds or public water. — CONTAINER DISPOSAL: Non-refillable container. Do not reuse or refill this container. Offer for recycling if available. Rinse thoroughly before recycling or discarding in trash.

NOTICE: Neither King Technology, Inc. nor the seller of this product can accept any responsibility where the product is not used according to directions and for the manner in which it was intended. FROG BAM® must be used in accordance with King Technology’s operating instructions. Failure to use FROG BAM® as instructed will void the warranty. U.S. Patent Nos.: 6,544,415; 6,814,095; 6,948,510

FROG
BAM!
ALGAE PROTECTION GUARANTEE!

**THIS IS A LIMITED WARRANTY. DETAILS ON BACK.**
ATTENTION: POOL FROG® MINERAL SYSTEM USERS!

King Technology Inc. warrants its FROG BAM® product for a period of 90 days to eliminate algae from inground or above ground swimming pools when used properly with the POOL FROG® Mineral System and if (a) FROG BAM® is added to the pool every 90 days (b) the POOL FROG® Mineral Reservoir has been replaced within 6 months (c) the pool maintains a chlorine residual of at least 0.5 ppm at all times and (d) the pool is properly balanced.

Consumer Claims Terms and Conditions

If algae occurs during the 90 day warranty period for your FROG BAM®, notify your FROG® dealer and provide him with (a) sales receipt showing purchase of a POOL FROG® Mineral Reservoir within 6 months of the date of claim, (b) sales receipt showing purchase of FROG BAM® within 90 days of the date of claim and (c) a pool water sample showing proper chlorine levels, pH balancing and normal cyanuric acid levels. If dealer approves the claim, you will be provided with enough FROG BAM® to take care of the algae problem. Follow label directions for treatment carefully.

This warranty is the exclusive warranty for FROG BAM®. This warranty is not transferable. KING TECHNOLOGY, INC. MAKES NO REPRESENTATION OR WARRANTY OF ANY KIND, EXPRESS OR IMPLIED, AS TO MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE OR ANY OTHER MATTER WITH RESPECT TO FROG BAM®. All claims for FROG BAM®, whether in contract, negligence, strict liability or any other tort or otherwise are deemed waived or released unless made within the 90 day warranty period for FROG BAM® to your local FROG® dealer with the proofs of claim required. YOUR EXCLUSIVE REMEDY SHALL IN NO EVENT EXCEED PROVIDING YOU WITH ADDITIONAL FROG BAM® TO CURE THE ALGAE PROBLEM. IN NO EVENT WILL KING TECHNOLOGY, INC. BE LIABLE FOR INCIDENTAL, CONSEQUENTIAL, SPECIAL OR PUNITIVE DAMAGES RESULTING FROM ANY CAUSE. King Technology, Inc. will not be liable for any product misuse, incorrect water balancing, allowing the chlorine residual to drop below standards provided above, not cleaning the pool filter when needed or improper circulation time per day.

Dealer Instructions

To handle an algae claim, proceed as follows:

1. Collect all sales receipts requested above.
2. Test pool water for a chlorine residual of at least 0.5 ppm, proper pH levels of 7.2 to 7.8, proper alkalinity of 60-120 ppm and proper cyanuric acid levels of 20-80 ppm.
3. If pool test meets requirements and their circulation time was at least 6-8 hours per day, give the consumer enough FROG BAM® to treat the algae at no charge (see label directions for algae treatment).
4. Send a no charge FROG BAM® invoice stating consumer name, address and phone number along with all consumer documentation, including the pool test readings, to BAM Guarantee, c/o King Technology, Inc., 530 11th Avenue So., Hopkins, MN 55343.
5. Reimbursement will be replacement FROG BAM® in the same quantity sent directly to your dealership.
