RESTRICTED USE PESTICIDE
DUE TO REPRODUCTIVE EFFECTS
FOR RETAIL SALE TO AND USE ONLY BY CERTIFIED APPLICATORS OR PERSONS UNDER THEIR DIRECT SUPERVISION
AND ONLY FOR THOSE USES COVERED BY THE CERTIFIED APPLICATOR'S CERTIFICATION. DIRECT SUPERVISION FOR
THIS PRODUCT IS DEFINED AS THE CERTIFIED APPLICATOR BEING PHYSICALLY PRESENT DURING MIXING, LOADING,
equipment repair, and equipment cleaning. CERTIFIED APPLICATORS MUST ENSURE THAT ALL PERSONS
INVOLVED IN THESE ACTIVITIES UNDER THEIR DIRECT SUPERVISION ARE INFORMED OF THE PRECAUTIONARY
STATEMENTS.

REGISTRATION FOR SPECIAL LOCAL NEED
FOR DISTRIBUTION AND USE ONLY WITHIN THE STATE OF WASHINGTON

MSR® SPRAY CONCENTRATE
SYSTEMIC INSECTICIDE
EPA Reg. No. 10163-220
EPA SLN NO.: WA-030002

DIRECTIONS FOR USE

• It is a violation of Federal law to use this product in a manner inconsistent with its labeling.
• This labeling must be in the possession of the user at the time of application.
• Follow all applicable directions, restrictions, worker protection Standard requirements, and precautions on the EPA
registered label.

</table>

ENVIRONMENTAL HAZARDS: This pesticide is toxic to fish and wildlife. MSR® Spray Concentrate should not be used under
this SLN label where impact on listed threatened or endangered species is likely. You may refer to the WSDA Endangered
Species Program web site at http://agr.wa.gov/PestFert/NatResources/EndangSpecies.htm, or contact the Washington
Department of Fish & Wildlife, National Marine Fisheries Service (NOAA Fisheries) or US Fish & Wildlife Service for information
regarding aquatic species listed as threatened or endangered. Consult the federal label for additional restrictions and
precautions to protect aquatic organisms.

WSDA Container Disposal Guidance: Pesticide containers must be properly cleaned prior to disposal. The best time to clean
empty pesticide containers is during mixing and loading, because residue can be difficult to remove after it dries. Triple rinse (or
pressure rinse) the pesticide container, empty all pesticide rinse water into the spray tank, and apply to a labeled crop or site.
Recycling cleaned containers is the best method of container disposal. Information regarding the recycling of empty and cleaned
plastic pesticide containers in Washington is available on the internet from WSU at http://pep.wsu.edu/waste/wd.html or from
WSDA at http://agr.wa.gov/PestFert/Pesticides/WastePesticide.htm. Cleaned containers may also be disposed of in a sanitary
landfill, if permitted by the county. Burning is not a legal method of container disposal in Washington.

IMPORTANT: This product is sold subject to the Conditions of Sale set forth on the container label.

This label for MSR® Spray Concentrate expires and must not be distributed or used in accordance with this SLN registration
after December 31, 2012.
