PRINCIPAL FUNCTIONING AGENTS
Alkylphenol ethoxylate, propylene glycol, tall oil fatty acids........90%
Constituents ineffective as spray adjuvants....10%
Total........................................100%
Ingredients are exempt from a tolerance under 40 CFR 180.

WARNING
KEEP OUT OF REACH OF CHILDREN

PRECAUTIONARY STATEMENT
Causes substantial but temporary eye injury. Harmful if swallowed, inhaled or absorbed through skin. Avoid contact with skin, eyes, or clothing. Avoid breathing spray mist. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum or smoking tobacco. Remove and wash contaminated clothing before reuse.

Personal Protective Equipment: Wear protective eyewear (goggles or face shield), chemical-resistant gloves, long-sleeved shirt and long pants, shoes plus socks when mixing or applying Genesis 90.

MANUFACTURED FOR
Genesis AgriProducts, Inc.
Warehouse: 2522 Old Town Road
Union Gap, Washington 98903

Net Contents:
2.5 Gallons (9.46 Liters) / 2 x 2.5 Gallons (18.92 Liters)
FIRST AID
If swallowed: Call a poison control center or doctor immediately for treatment advice. Have the person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control center or doctor. Do not give anything by mouth to an unconscious person.

If inhaled: Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible. Call a poison control center or doctor for further treatment advice.

If in eyes: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice.

If on skin or clothing: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control center or doctor for treatment advice.

STORAGE AND DISPOSAL
Do not contaminate water, food, or feed by storage or disposal.

Storage: Store above 32°F. Store away from heat or open flame and oxidizing materials.

Disposal: Wastes resulting from this product may be disposed of on site or at an approved waste disposal facility. Triple rinse (or equivalent) when mixing and loading. Recycling decontaminated containers is the best option of container disposal. The Agricultural Container Recycling Council (ACRC) operates the national recycling program. To contact your state and local ACRC recycler visit the ACRC web page at www.acrecycle.org. Decontaminated containers may also be disposed of in a sanitary landfill.

NOT FOR AQUATIC USE

GENERAL INFORMATION
Genesis 90 is a water-soluble nonionic surfactant containing a defoaming agent. Genesis 90 is designed for use in certain agricultural and horticultural sprays.

DIRECTIONS FOR USE
