Fertilizer with ProPendi™ Herbicide

**22-0-6**

- Promotes control of common weeds, groundcover, forage, forbs, chicory, clovers, and Pen a.morsus.
- Contains Hoar 64-6 for controlled release nitrogen feeding.

**ACTIVE INGREDIENT**

- Urea (22-0-6) 60% UAN

**STORAGE AND DISPOSAL**

- Store containers after use. Do not bait or feed pets with dilute solutions. Do not contaminate water, food, or feed by means of the broadcast or band application method. Do not allow the application to contact the ground where it may enter into drainage ditches or other waterways.

**APPLICATOR RECORDS**

- Records must be kept for at least 2 years.

**SUGGESTED RECOMMENDED SETTINGS**

- These suggested operation settings are the most important for an effective application. Do not lower or raise the boom while operating. Operation below the suggested settings may result in equipment damage, non-approved setting, or spraying above the crop.

**TANK MIXES**

- Do not mix with other products or chemicals.

**PREVENTION**

- Pre-application scouting is recommended.

**CARE AND HANDLING**

- Keep out of reach of children and pets.

**PRECAUTIONARY STATEMENTS**

- **DANGER**

- **WARNING**

- **CAUTION**

- **KEEP OUT OF REACH OF CHILDREN**

**PRODUCT INFORMATION**

- This product contains 0.075 lbs. of Pendimethalin per lb. of product.

**PRODUCT CODE**

- APT228PD50.1

**MANUFACTURER**

- The Andersons, Inc., Toledo, OH 43612

**NET WT.**

- 50 lbs. (22.08 kg)
