DIRECTIONS FOR USE: It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

FLYSECT® CITRONELLA SPRAY with Lanolin has been especially developed for use on horses. It provides a coating against flies while repelling a high sheen to the hair when brushed out. For use on horses. Do not use on or around foals. Do not wet horse's skin or exceed 2 oz per application.

DIRECTIONS FOR WIPE ON USE: First brush animal to remove excess dirt and dust. Moisten (but do not wet the point of dripping) a soft cloth and rub over the hair. It is best to apply by rubbing against the hair growth. Give special attention to the legs, shoulders, shanks, neck and facial areas where flies most often are found. Only light application is required. Avoid using excessive amount on your horses. Do not wet skin. After application, brush out thoroughly to bring out bright sheen on the coat. Repeat daily or as required.

DIRECTIONS FOR SPRAY ON USE: May be applied as fine mist spray to stable area and over and around stalled horses for fast paralysis and kill of flies. Do not wet horse's skin or exceed 2 oz per application.

STORAGE & DISPOSAL
Storage and Spill Procedures: Store upright at room temperature. Avoid exposure to extreme temperature. In case of spill or leakage, soak up with an absorbent material such as sawdust, earth, fuller's earth, etc. Dispose of with chemical waste.

DISPOSAL: Nonrefillable container. Do not reuse or refill this container. IF EMPTY: Place in trash or offer for recycling if available. IF PARTLY FILLED: Call your local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain.

Buyer assumes all risk of use, storage and handling of this product not in strict accordance with directions given herein.
