For Control of Face Flies, Stable Flies, House Flies, Mosquitoes, Gnats, Mites and Lice

KEEP OUT OF REACH OF CHILDREN

WARNING

See back panel for additional precautionary statements

Net Contents 1 gal (3.785 L)
Repellent spray with soothing aloe and lanolin for horses, ponies & foals.

Contains two insecticides and two repellents for use on horses for residual control of mosquitoes, gnats, face flies, stable flies, house flies, mites, chiggers and lice.

PRECAUTIONARY STATEMENTS – HAZARDS TO HUMANS AND DOMESTIC ANIMALS

WARNING – HAZARDS TO HUMANS: Causes substantial but temporary eye injury. Do not get in eyes or on clothing. Wear appropriate eyewear (such as goggles or face shield). Wash hands thoroughly with soap and water promptly after use and before eating, drinking, chewing gum, using tobacco or using the toilet.

HAZARDS TO ANIMALS: Avoid contact with eyes, or mucous membranes. Do not treat foals under 12 weeks of age unless prescribed by a veterinarian. Do not apply over cuts, wounds, or irritated skin. Do not allow the product to contact animal’s eyes, nose, or mouth. Apply sparingly around ears. Sensitivities may occur after using any pesticide product for animals. If signs of sensitivity occur, bathe the animal with mild soap and rinse with large amounts of water. If signs continue, consult a veterinarian immediately. Consult a veterinarian before using this product on debilitated, aged, medicated, pregnant, or nursing animals.

FIRST AID

IF IN EYES
- Hold eye open and rinse slowly and gently with water for 15 – 20 minutes.
- Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye.
- Call a Poison Control Center or doctor for treatment advice.

Have the product container or label with you when calling a Poison Control Center or doctor, or going for treatment. For additional information on this pesticide product (including health concerns, medical emergencies or pesticide incidents), you may call 1-800-234-2269, twenty-four (24) hours per day, seven (7) days per week.

NOTE TO PHYSICIAN: Probable mucosal damage may contraindicate the use of gastric lavage.

USE RESTRICTIONS

- Do not contaminate food or feedstuffs.
- Read and follow all directions and precautions on this product label.
- THIS PRODUCT IS FOR INDOOR USE ONLY.
  - Not for broadcast use on indoor residential surfaces.
  - Not for use on horses or foals intended for slaughter.
  - Not for use in outdoor residential misting systems (indoor or outdoor).
  - Do not breathe vapors, or spray mist.
  - Do not spray when food is present.
  - Do not apply more than 1 time per day.
  - Remove or cover exposed food and drinking water before application.
  - Remove or cover dishes, utensils, food processing equipment, and food preparation surfaces, or wash them before use.
  - Do not allow adults, children, or pets to enter the treated area until sprays have dried.
  - Do not apply this product in a way that will contact adults, children, or pets, either directly or through drift. Only protected handlers may be in the treated area during application.

DIRECTIONS FOR USE

READ ENTIRE LABEL BEFORE EACH USE. USE ONLY ON HORSES, PONIES AND FOALS. NOT FOR USE ON HORSES INTENDED FOR SLAUGHTER.

Horses, Ponies and Foals: Thoroughly brush the horse’s coat prior to application, to remove loose dirt and debris. For dirty horses, and as a preparation for show grooming, clean the coat with a shampoo. Avoid getting product into horse’s eyes or other sensitive areas such as mouth or nose. Brush coat against grain while spraying to insure adequate penetration of product. As a wipe, apply with a clean cloth or sponge. Make sure spray has completely dried before covering with any tack. Do not use on horses or foals intended for slaughter.

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage or disposal.

Pesticide Storage: Store in a cool, dry (preferably locked) area that is inaccessible to children and pets and away from heat, sparks, or open flames. If a leaky container must be contained within another, mark the outer container to identify the contents. Do not store near heat or open flame. Store pesticides away from food, pet food, seed, fertilizers, and veterinary supplies.

Pesticide Disposal: Wastes resulting from use of this product may be disposed of on site or at an approved waste disposal facility.

CONTAINER DISPOSAL: Nonrefillable container. Do not reuse or refill this container. IF EMPTY: Place in trash or offer for recycling if available. IF PARTLY FILLED: Call your local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain.

Note: This product is a front line veterinary product designed to provide highly effective residual control of biting insects on horses. It is recommended for daily or nearly daily use for residual control of insects.

If Partly Filled:
- Place in approved waste disposal facility.
- Follow all directions and precautions on this product label.
- Never place unused product down any indoor or outdoor drain.
- If you have questions about how much product to use, call your local certified pest control professional or a veterinarian.
- Place the original container with the label in the new container.
- Date the new container.
- Transport in an approved manner.

Environ: This product is highly toxic to bees exposed to direct treatment on blooming crops or weeds. Do not apply this product or allow it to drift to blooming crops or weeds while bees are actively visiting the treatment area.
