OTHER INGREDIENTS: ... 99.75%
100.00%

NET CONTENTS
5 FL OZ (147.86 mL)

Keep Out of Reach of Children
CAUTION
See rear panel for additional precautionary statements
STORAGE AND DISPOSAL
Do not contaminate water, food or feed by storing or disposal.

Pesticide Storage and Spill Procedures: Keep from freezing. Store upright at room temperature. Avoid exposure to extreme temperatures. In case of spill or leakage, soak up with an absorbent material such as sand, sawdust, earth, fuller's earth, etc. Dispose of with chemical waste.

Pesticide Disposal: If partly filled — Call your local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain.

Container Disposal: If empty — Nonrefillable container. Do not reuse or refill this container. Place in trash or offer for recycling if available.

DIRECTIONS FOR USE
It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

FOR USE IN NON-FOOD AREAS OF HOMES
INDOOR APPLICATION
Surface Spraying: To kill lice and lice eggs, spray in an inconspicuous area to test for possible staining or discoloration. Inspect again after drying, then proceed to spray entire area to be treated. Spray from a distance of 8 to 10 inches. Treat only those garments and parts of bedding, including mattress and furniture that cannot be either laundered or dry cleaned. Allow all treated articles to dry thoroughly before use.

To control bedbugs: Spray mattresses tightly, particularly around tufts and seams. Take beds apart and spray in all joints. Allow all sprayed articles to dry thoroughly before use. Do not use in food/feed areas of food/feed handling establishments, restaurants or other areas where food/feed is commercially prepared or processed. Do not use in serving areas while food is exposed or facility is in operation. Serving areas are areas where food is served such as dining rooms, but excluding areas where food may be prepared or held. In this home, cover all food handling surfaces, covers or remove all food and cooking utensils or wash thoroughly after treatment. Do not apply to classrooms while in use.

For use in Federally Inspected Meat and Poultry Plants: Application is prohibited directly into sewers or drains, or into any area like the gutter where drainage to sewers, storm drains, water bodies, or aquatic habitat can occur. Do not allow the product to enter any drain during or after application.
