Fungitrol™ 420S fungicide

ACTIVE INGREDIENTS: 3-Iodo-2-propynyl butyl carbamate........................................ 20.00% OTHER INGREDIENTS.................................................. 80.00% TOTAL.......................................................... 100.00%

EPA Reg. No. 1526-41
EPA Est. No. 74655-G0-001

STORAGE AND DISPOSAL
DO NOT CONTAMINATE WATER, FOOD OR FEED BY STORAGE AND DISPOSAL
PESTICIDE STORAGE - Do not store with strong oxidizing agents or strong (concentrated) acids. Keep container tightly closed when not in use. Do not reuse container.

PESTICIDE DISPOSAL - Pesticide wastes are acutely hazardous. Improper disposal of excess pesticide, spray mixture, or rinse water is a violation of Federal Law. If these wastes cannot be disposed of by use according to label instructions, contact your local State Pesticide or Environmental Control Agency, or the Hazardous Waste representative at the nearest EPA Regional Office for guidance.

CONTAINER HANDLING:
[For containers less than or equal to 50 lbs. Non-refillable container. Do not reuse or refill this container. Triple rinse (or equivalent) promptly after emptying. Triple rinse as follows:](
- Fill the remaining contents into application equipment or a mix tank. Fill the container 1/4 full with water and rap. Shake for 10 seconds. Pour rinse into application equipment or a mix tank or store rinse for later use or disposal. Drain for 10 seconds after the flow begins to drip. Repeat this procedure two more times. Then offer for recycling or reconditioning, or land fill or disposal by any person or entity which is not bound by state law and local authorities, by burning. If burned stay out of smoke.)

For industries greater than 50 lbs.
Non-refillable container. Do not reuse or refill this container. Triple rinse (or equivalent) promptly after emptying. Triple rinse as follows: Remove the remaining contents into application equipment or a mix tank. Fill the container 1/4 full with water. Rap and roll it until it is completely empty, for 30 seconds.

Stand the container on its end and tip it back and forth several times. Turn the container over onto its other end and tip it back and forth several times. Empty the rinse into application equipment or a mix tank or store rinse for later use or disposal. Repeat this procedure two more times. Then offer for recycling or reconditioning, or pour and rinse into a sanitary landfill, or, if allowed by state and local authorities, by burning. If burned stay out of smoke.

DIRECTIVES FOR USE
It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

FOR INDUSTRIAL USE ONLY
The following are suggested use levels for Fungitrol™ 420S Fungicide.
The suggested use levels of Fungitrol™ 420S Fungicide are given in percentage by weight.

For use as a preservative in manufacturing dry film paint generally use 0.2%-0.4% in wet paint, for aqueous metal working, cutting, cooling and lubricating fluids and concentrates use 0.15-0.5%, for paper coatings use 0.25-3.75%, for plastics and plastic coatings use 0.25-5.0%, for wood use 0.25-5.0%, for textiles use 0.25-5.0%, for pigment dispersion*, dyes, and gum solutions in water for (starch and gum solutions) use 0.2-4%. For household, consumer, industrial, institutional, and janitorial products (such as liquid and solid air fresheners, dish detergents, laundry products, soaps and detergents, non-food contact surface cleaners, bathroom cleaners, window cleaners, fabric care products, automotive care products, and furniture care products)*, use 0.05-0.15%. For wood preservation, use only in above-ground applications only at 1.5-6.0%. Fungitrol™ 420S Fungicide can be used as a fungicide in non-medical, non-food contact aerosols, solvent and non-solvent based systems such as natural and synthetic adhesives, caulkings, patching compounds, cement based products, sealants, grouts, latex admixtures used in the manufacturing of flooring adhesives or carpet backing. Use levels for these applications are 0.125-1.25%. For specific recommendations on specific amounts of product to use please contact ISP.

*Not approved for use in California.

NOTE: READ THE MATERIAL SAFETY DATA SHEET BEFORE USING THIS PRODUCT.
