Environmental Hazards
This product is toxic to fish. Cats and a few other animals may be hazardous to aquatic forms. Do not apply directly to water or to areas where surface water is present or to fish habitats below the mean high water mark. Do not contaminate water when cleaning equipment or when disposing of equipment washwaters.

Storage and Disposal
Do not contaminate water, food, or feed by storage or disposal.

Storage — Store in a dry place in original containers.

Container (Disposal) — Completely empty bag into application equipment. Then dispose of empty bag in a sanitary landfill or by incineration, or if allowed by state and local authorities, by burning. It is best, stay out of streams.

Perforated Disposal — Washout resulting from the use of this product may be disposed of on site or in an approved means disposed of safely.

Warranty and Limitation of Damages
Better warrants that this material contains no chemically decomposed residue and is reasonably fit for its purpose intended on the label when used in accordance with directions under normal conditions of use and storage. Better assumes the risk of any use contrary to such directions. Seller makes no other express or implied warranty, including any express or implied warranty of Fitness for a Particular Purpose, and no agent of Seller is authorized to do so except in writing with specific reference to such warranty. In no event shall Seller’s liability for any breach of warranty exceed the purchase price of the materials to which a claim is made.

Pesticide Use Directions

NOTICE TO PHYSICIAN
This product is a health hazard. Inform all health professionals about possible health effects. If acute toxicity occurs, consult a physician. The emergency telephone number for your area is on the back of this label. Include this information in all treatment and hospital charts.
