Creating Integrated Solutions Since 1888

RMC
Rochester Midland Corporation

For Use in Homes and Other Residential Dwellings, Hospitals, Nursing Homes, Clinics, Medical Facilities, Businesses, Hotels, Motels, Restaurants, Salons, Institutions and Commercial Establishments

Nebud No Raising

Kills: Arthropods: Mosquitoes, Ticks, Spiders, Bed Bugs, Fleas, Mites, Caterpillars, Ants, etc.

Disinfectants: Acts as a disinfectant on hard, non-porous environmental surfaces such as tile, ceramic, porcelain, wood, metal, plastic, glass, stone, concrete, gum, ink, crayon, and paint.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

To Clean and Disinfect: Remove all excess soil or heavy soil from surfaces to be treated prior to using this product.

Shake Well Before Use. Point pump opening toward area to be cleaned, press down firmly and spray evenly. Wipe clean with a dry cloth, drying thoroughly. This product effectively controls the growth of mold and mildew and the odor caused by them upon application and breading surfaces. Apply by holding the pump can upright, 6” to 12” from surface to be treated. Spray to wet all surfaces completely. Let air dry. Do not apply to plastic, vinyl, or rubber surfaces.

PRECAUTIONARY STATEMENTS

Hazard to Humans and Domestic Animals

CAUTION: Caution: Do not apply in any manner other than as directed. Use of this product may result in death or serious injury if inhaled or absorbed through the skin. Avoid contact with eyes, skin, or clothing. Harmful if ingested. Avoid breathing vapor or inhalation of spray mist. Wash thoroughly with soap and water after handling. Remove contaminated clothing and wash clothing before reuse.

First Aid

In Eyes: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present. After first 5 minutes, then continue rinsing eyes. If Skin or Clothing: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. If person is in contact with material, call 911 or an ambulance and then give medical treatment. If person is breathing, give artificial respiration; preferably by mouth-to-mouth if possible. Call a poison control center or doctor for treatment advice. Have the product container and label with you when calling a poison control center or doctor or going for treatment. You may also contact 1-855-836-8866 for emergency medical treatment information.
