Invert Inert Ingredients:
Sodium Lauryl Sulfate 0.1%

Active Inert Ingredients:

WARNING:
Do not use bottle. Rinse thoroughly and offer for keeping out of reach of children.

Store in an environment of amphibians or reptiles.

Use on amphibians or reptiles.

For snakes, lizards, and land tortoises only. Do not use on amphibians or reptiles.

Recommended:
Keep out of reach of children.

Read all label instructions carefully.

Spray around edges and corners of reptile cage, crevices of substrates, and on outside of reptile cage.

Read all label instructions carefully.

Surf spray from skin folds, as this is where many mites will hide.
