The Mineral Pool Sanitizer

Controlled Release Technology (CRT) controls the release of silver and copper mineral ions into your pool water.

The Nature2® System* with CRT effectively sanitizes your pool:

• Destroys bacteria
• Restores water clarity
• Reduces chlorine use to just 0.5 ppm

To keep your Nature2® Sanitizer operating properly, it is necessary to change the cartridge every six (6) months.

CRITICAL SAFETY INFORMATION

1. This cartridge is manufactured with mineral media sealed inside. In the unlikely event that a cartridge breaks, remove it and discard in household trash.

2. Mineral media should not be introduced into the pool water or 0.5 ppm of chlorine will be sufficient to sanitize your pool.

3. If a cartridge breaks, remove it and discard in household trash. Failure to replace the cartridge will void the warranty.

4. Do not use Nature2® Express Cartridge with copper-based algaecides or Biguanides.

5. Do not save the existing cartridge for re-use.

WARNING

The Nature2® System* with CRT improves water quality
- Destroys bacteria
- Reduces chlorine use to just 0.5 ppm
- Reduces potential for unpleasant odors.

Installing the Nature2® Express Cartridge

1. First turn off the pool pump and disconnect the power.
2. Remove the old cartridge from your system's pump suction port and vacuum out any residue.
3. Then simply replace the cartridge and attach the new cartridge to the suction port.

CAUTION

The Nature2® Express Cartridge contains metallic silver, copper, and copper sulfate which may be harmful if swallowed, inhaled, or absorbed through the skin.

In the unlikely event a cartridge breaks, remove it and discard in household trash.

Hazards to Humans and Domestic Animals

In the unlikely event that a cartridge breaks, remove it and discard in household trash.

If the cartridge is broken, it should be disposed of as hazardous waste.

FIRST AID

IF INGESTED: Call poison control center or doctor immediately for treatment advice.

IF INHALED: Get fresh air.

IF APOBED TO EYES: Rinse at 10-15 minutes.

IF CONTACTED TO SKIN: Wash with soap and water for at least 15 minutes.

Wash hands immediately after handling.

DIRECTIONS FOR USE

Change this cartridge every six (6) months.

Use of this cartridge for longer than six (6) months will void the warranty.

If the cartridge breaks, remove it and discard in household trash.

After six (6) months of use, discard the cartridge for re-use.

The Low Chlorine Alternative*

The Nature2® System contains metallic silver and copper which destroy bacteria and reduce chlorine levels.

1. Reduces chlorine use to just 0.5 ppm.
2. Restores water clarity.
4. Will not damage your pool equipment.

The Nature2® System with CRT effectively sanitizes your pool:

• Destroys bacteria
• Restores water clarity
• Reduces chlorine use to 0.5 ppm

To keep your Nature2® Sanitizer operating properly, it is necessary to change the cartridge every six (6) months.

The Nature2® System consists of a balanced silver and copper delivery device in conjunction with a chlorine release device. The system is EPA registered as a chlorine replacement pool product.

Replacement Cartridge takes just minutes and comes with installation instructions.

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

The Nature2® System consists of the minerals silver and copper.
