KICKERPlus Dry™

Principal Functioning Agents:

Ammonium Sulfate, Polyacrylamide, and Dimethylpolysiloxane...97.9%  
CONSTITUENTS INEFFECTIVE AS A SPRAY ADJUVANT...2.1%  
Total..........................100.0%

All ingredients are exempt from tolerance requirements under 40 CFR 180

WA Reg. No. 7001-03001

CAUTION
KEEP OUT OF REACH OF CHILDREN

NET WEIGHT: 45 POUNDS (20.44 Kg)
PRECAUTIONARY STATEMENT
CAUTION. Causes moderate eye irritation. Harmful if swallowed, inhaled or absorbed through skin. Avoid contact with skin, eyes or clothing. Avoid breathing spray mist. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum or smoking tobacco. Remove and wash contaminated clothing before reuse. PERSONAL PROTECTIVE EQUIPMENT: Wear chemical resistant gloves, long-sleeved shirt and long pants and shoes plus socks.

FIRST AID
IF IN EYES: Hold eye open and rinse slowly and gently with water for 15 to 20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice.

IF ON SKIN: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15 to 20 minutes. Call a poison control center or doctor for treatment advice.

IF SWALLOWED: Call a poison control center or doctor immediately for treatment advice. Have the person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control center of doctor. Do not give anything by mouth to an unconscious person.

IF INHALED: Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible. Call a poison control center or doctor for further treatment advice.

GENERAL INFORMATION
KICKERPlus Dry is a highly active ammonium sulfate/drift retardant designed to reduce drift while enhancing herbicide uptake. The ammoniacal nitrogen in KICKERPlus Dry has been found to promote herbicide (such as glyphosate) uptake in agricultural applications.

KICKERPlus Dry’s use of high quality spray grade ammonium sulfate eliminates cold water sedimentation and nozzle plugging commonly found with dry ammonium sulfate.

KICKERPlus Dry also contains a pH stable antifoam which prevents foaming during tank mixing.

DIRECTIONS FOR USE
FOR USE WITH PRODUCTS REGISTERED FOR AGRICULTURAL, FORESTRY, INDUSTRIAL, NON-CROPLAND, ORNAMENTAL, RIGHTS-OF-WAY AND OTHER USES.

THIS PRODUCT CANNOT BE USED FOR AQUATIC APPLICATIONS.

The addition of KICKERPlus Dry to a tank mix should always follow the review of herbicide labels and their procedures, rates and application requirements. Before using KICKERPlus Dry, it is recommended that the user be familiar with or conduct a field test to check for phytotoxicity of the herbicide combination.

RECOMMENDED USE RATES
Glyphosate and other tank mixes: Use a rate of 9 to 18 lbs KICKERPlus Dry per 100 gallons of spray solution.
8.8 lbs = 8.5 lbs active ingredient/AMS
17.6 lbs = 17 lbs active ingredient/AMS

STORAGE AND DISPOSAL
Storage: Do not allow to freeze. For optimum storage stability, store at temperatures between 60°F (16°C) and 90°F (32°C). Avoid contact with iron clad, copper, and copper-bearing materials. Avoid contact with eyes and skin. Do not store near oxidizing agents.

Disposal: Do not reuse empty container. Completely empty the contents of the container into application equipment. The empty container may be disposed of in a sanitary landfill.

USE PRECAUTIONS
The degree of drift hazard varies with the type of pesticide, application conditions, and vegetation near the sprayed area. Common sense and sound application technology must be followed when spraying pesticides. KICKERPlus Dry will retard but not totally eliminate drift.

FOR CHEMICAL SPILL, LEAK, FIRE, OR EXPOSURE CONTACT CHEMTRIX (800) 434-0300.

DISCLAIMER OF WARRANTIES: Seller warrants that the chemical composition of this product conforms to the chemical description given on this label. This warranty is expressly in lieu of all other warranties and representations expressed, implied, or statutory, including warranties of merchantability and fitness for a particular use. Timing, rate and method of application, weather and crop conditions, mixtures with chemicals not specifically recommended on this label or an accompanying written recommendation are beyond the control of seller. Buyer assumes all risks of use, storage and handling of this material not in strict accordance with directions given hereon. Buyer further agrees in the event of damages arising from the use of this product to accept a replacement of the product or a refund of the purchase price of the product at buyer’s option, as full discharge of seller’s liability. No one is authorized to make any other warranty, guarantee or direction concerning this product, and no such warranties, guarantees or directions shall be valid or binding upon seller.
