1 INDIVIDUALLY WRAPPED TOWELETTE

ACTIVE INGREDIENT: p-Menthan-3,8-diol* .......................... 8%
OTHER INGREDIENTS .............................................. 92%

* cis/trans isomer ratio: min. 60% (+/-) cis and max. 40% (+/-) trans

KEEP OUT OF REACH OF CHILDREN

CAUTION: See back panel for additional precautionary statements and complete directions for use.
DIRECTIONS FOR USE:
It is a violation of Federal law to use this product in a manner inconsistent with its labeling. **Read all directions before using this product.**

**General Instructions:** For best results, open package, remove and unfold towelette, using it to moisten all exposed skin evenly and completely. Do not apply to eyes, lips, and mouth and do not apply to the hands of young children. Wash hands thoroughly with soap and water after applying. For continued protection from listed insects, reapply every two hours or after swimming, perspiration, vigorous activity or toweling. After returning indoors, wash treated skin with soap and water.

**STORAGE:** Store away from heat or flame in an area inaccessible to children.

**DISPOSAL:** Before disposing, empty container by using the product according to the label. Do not reuse this container. Place in trash or offer for recycling if available.

**PRECAUTIONARY STATEMENTS:** **HAZARDS TO HUMANS—CAUTION:** Causes moderate eye irritation. Avoid contact with eyes. Do not use on children under the age of three. Apply with caution to young children. Do not allow children to apply this product to themselves. Do not apply to excessively sunburned or damaged skin. May cause a skin reaction in rare cases. If you or your child react to this product, wash treated skin and call your doctor.

**FIRST AID:** Have the product container or label with you when calling a poison control center or doctor or going for treatment.

- **IF IN EYES:** Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing. Call a poison control center or doctor for treatment advice.

**PHYSICAL & CHEMICAL HAZARDS:** Flammable. Keep away from heat and open flame. Keep treated skin and clothing away from fire, sparks or flame until dry.

OFF!® Botanicals™ Towelettes unique formula uses a plant-based ingredient. It contains the insect repellent found in eucalyptus plants. OFF!® Botanicals™ Towelettes is effective, dependable protection that feels great on—not sticky or greasy—and it has a light, clean, fresh fragrance. And because it's from the makers of OFF!®, it's specially formulated to effectively repel mosquitoes, black flies, gnats, and no-see-ums for up to 2 hours. It is individually wrapped so it won't dry out, and it fits anywhere.
