**PRECAUTIONARY STATEMENTS**

**HAZARDS TO HUMANS AND DOMESTIC ANIMALS**

**DANGER**

Corrosive. Causes irreversible eye damage. Do not get in eyes or on clothing. Wear goggles or face shield when handling. Harmful if swallowed, inhaled or absorbed through skin. Avoid breathing vapor or spray mist. Avoid contact with skin or clothing. Wear protective clothing and chemical resistant rubber gloves when handling. Wash thoroughly with soap and water after handling, and before eating, drinking, chewing gum, using tobacco or using the toilet. Remove soiled contaminated clothing before reuse. Prolonged or frequent repeated contact may cause allergic reactions in some individuals.

**PERSONAL PROTECTIVE EQUIPMENT (PPE)**

All mixers and other handers must wear the following PPE:
- long-sleeved shirt and long pants,
- rubber or neoprene gloves,
- goggles, face shield, or safety glasses.

Follow manufacturer’s instructions for cleaning/maintaining PPE. If no such instructions exist, use detergent and hot water. Keep and wash PPE separately from other laundry. Discard cleaning and other absorbent material that has been drenched or heavily contaminated with the product’s concentrate. Do not reuse them.

**USER SAFETY RECOMMENDATIONS:**

- Users should wash hands before and after use.
- Do not drink, rinse mouth, or chew gum while using.
- Avoid contact with skin, eyes, mouth, nose, or clothing.
- Wash thoroughly with soap and water. Use a non-irritating hand cleanser.
- Note to the physician: PPE is not a substitute for medical advice. Protective mask may contribute to the use of gas tight envelopes.

**EMERGENCY MEDICAL INFORMATION:**

(800) 241-7436

Have the product container or label with you when calling a poison control center or doctor for treatment.

**STORAGE AND DISPOSAL**

**DO NOT CONTAIN MIXTURES, WATER OR FEED BY STORAGE AND DISPOSAL**

**PESTICIDE STORAGE:** Product should be stored in an area that is not subject to extreme temperatures. Proper protective equipment, as indicated above, should be worn when opening, transferring and using product. Close drum bungs tightly when not in use. Split-proof leak-proof containers and additional handling information are contained in the Material Safety Data Sheet. Do not transport in unlined metal containers.

**PESTICIDE DISPOSAL:** Pesticide wastes are truly hazardous. Improper disposal of empty pesticide, spray mist or mixed wastes is a violation of Federal Law. The wastes cannot be disposed of by use according to label instructions, contact your State Pesticide or Environmental Control Agency, or the Hazardous Waste representative at the nearest EPA Regional Office for guidance.

**CONTAINER DISPOSAL:** [Instructions for non-refillable containers 5 gallons or less] Non-refillable container. Do not reuse or refill this container. Offer for recycling, if available. Triple rinse (or equivalent) container permanently after emptying. Triple rinse as follows: Empty remaining contents into application equipment or a mix tank. Fill the container ¾ full with water. Replace and tighten closures. Tip container on its side and roll it back, ensuring that at least one complete revolution, for 30 seconds, has chanted the container on its end. The container will now be filled and back forth several times. Turn the container over onto its other end and tip it back and forth several times. Fill the container ¾ full with water, replace and tighten closures. Repeat this procedure two more times. Then offer for recycling or reconditioning or puncture and dispose of in a sanitary landfill or by other procedures approved by state and local authorities.

**ENVIRONMENTAL HAZARDS**

This product is toxic to fish. Do not discharge effluent containing this product into lakes, streams, ponds, estuaries, oceans or other waters unless in accordance with the requirements of a National Pollutant Discharge Elimination System (NPDES) permit issued by the EPA and the permitting authority has been notified in writing prior to discharge. Do not discharge effluent containing this product into sewer systems without previously notifying the local sewage treatment plant authority. For guidance, contact your State Water Board or Regional Office of the EPA. Do not contaminate water by cleaning of equipment or disposal of waste.

**NOTICE:**

- Do not reuse this product in the presence of any type of chemical or fuel, including gasoline, oil, diesel fuel, or other solvents.
- Do not contaminate water.
- Use of this product in pipes, storage tanks, and institutional and household cleaning products is prohibited.

**DIR ECTIONS FOR USE**

If it is a violation of Federal Law to use this product in a manner inconsistent with this label.
