DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling. For outdoor use only.

1. Tear package beginning at the notch. Gently pull the top towelette out of the pouch. Towelettes should be pulled at an angle to dispense one at a time. Re-seal the pouch after each use to prevent the wipes from drying out between uses. Unfold towelette, apply desired amount, and wipe exposed skin. Do not use on clothing. When using on face, apply sparingly avoiding eyes. Do not apply near eyes and mouth; apply sparingly around ears. Do not apply over cuts, wounds or irritated skin. Do not apply directly to children's hands. Do not allow children to handle this product. Avoid over-application of this product. After removing labels, wash treated cloth with soap and water and double-check yourself, other family members and pets for ticks. Wash treated clothing before wearing it again. Will not damage nylon, cotton or wool. Wipe hands after application as product may damage some synthetic fabrics, plastics, watch crystals, leather, painted or varnished surfaces. Use of this product may cause skin reactions in rare cases. If you suspect reaction to this product, discontinue use, wash treated skin and call your local Poison Control Center. If you go to a doctor, take this product with you.

2. For outdoor use only.

STORAGE AND DISPOSAL

Pesticide Storage: Store the product in a cool, dry place, out of reach of children.

Container Disposal: If empty: Non-refillable container. Do not reuse or refill this container. Offer for recycling, if available. If partly filled: Call your local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain.
