Yard & Garden Insect Killer II

Always Shake Well Before Using!

DIRECTIONS FOR USE: It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

What It Is: Yard & Garden Insect Killer II is a specially formulated combination of insecticidal soap and botanical pyrethrins which kills insects on contact yet is gentle on plants.

How To Use It: Shake well. Use at first sighting of insects. Thoroughly moisten all plant surfaces where insects are feeding or resting. Apply every 7 to 10 days when insects are present or as needed to prevent damage. CAN BE USED UPTO THE DAY OF HARVEST.

*Note: Use with caution on tender new foliage.

DO NOT USE on Crown of Thorns, Jade Plant or Delicate Foliage. Test for variety sensitivity on Begonias, Fuchsias, and Impatiens. If uncertain about a plant's sensitivity, test in an inconspicuous area then wait 24 hours before full coverage.

COVERAGE: 32 oz will treat approximately 20 plants, 2' high by 2' diameter, or 1 tree, 10' high by 4' diameter.

STORAGE AND DISPOSAL:

STORAGE: Store only in original container in a cool, dry area inaccessible to children and pets. Protect from freezing. If frozen, thaw and shake well. Keep container tightly closed to prevent evaporation.

DISPOSAL: If Empty: Non-refillable container. Do not reuse or refill this container. Place in trash or offer for recycling if available. If Partially Filled: Call your local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain.

PRECAUTIONARY STATEMENTS:
Hazards to Humans and Domestic Animals

CAUTION: Causes moderate eye irritation. Avoid contact with skin, eyes or clothing. Wash thoroughly with soap and water after handling.

FIRST AID

If in Eyes:

- Hold eye open and rinse slowly and gently with water for 15-20 minutes.
- Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye.
- Call a poison control center or doctor for treatment advice.

Have the product container or label with you when calling a poison control center or doctor for treatment. You may also contact 1-800-958-7575 for emergency medical treatment advice.

ENVIRONMENTAL HAZARDS: This product is toxic to fish. For terrestrial uses, do not apply directly to water, or to areas where surface water is present or to intertidal areas below the mean high water mark. Do not contaminate water when disposing of equipment washwaters. Remove or cover fish aquaria in the area being treated.

Note: Seller warrants that this product complies with the specifications expressed in this label. To the extent consistent with applicable law, Seller makes no other warranties, and disclaims all other warranties, express or implied, including but not limited to warranties of merchantability and fitness for the intended purpose. To the extent consistent with applicable law, Seller's liability or default, breach or failure under this label shall be limited to the amount of the purchase price. To the extent consistent with applicable law, Seller shall have no liability for consequential damages.
