**COMMERCIAL FLYING INSECT KILLER**

**KILLS FLIES SO FAST YOU CAN SEE THEM FALL!**

For use in Commercial and Institutional buildings.

For use in non-food areas such as garbage rooms, bathrooms, floor drains, entries and vestibules, offices, locker rooms, machine rooms, boiler rooms, garages, mop closets and storage areas.

### DIRECTIONS FOR USE:

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

**Shake before Use:** Hold container upright. Point spray opening away from face and press button.

**Flies, Mosquitoes, Small Flying Moths, Gnats:** Most effective when sprayed directly on flies.

You can clear entire room in minutes by spraying upwards in sweeping movement (4 seconds for average room of 1000 cubic feet) staying about 3 feet from walls, fabrics and furniture. Keep doors closed for about 15 minutes. Do not remain in treated area. Ventilate after treatment.

### STORAGE AND DISPOSAL

**Do not contaminate water, food or feed by storage and disposal.**

**PESTICIDE STORAGE**
Keep this product in its tightly closed original container when not in use. Store in a cool, dry (preferably locked) area that is inaccessible to children and animals.

**CONTAINER DISPOSAL**

Do not puncture or incinerate. Nonrefillable container. Do not reuse or refill this container. If empty: This container may be recycled in aerosol recycling centers. At present, there are only a few such centers in the country. Before offering for recycling, empty the can by using the product according to the label. If recycling is not available, wrap the container in newspaper and discard in trash. If partly filled: call your local solid waste agency for disposal instructions.

### PRECAUTIONARY STATEMENTS

**HAZARD TO HUMANS AND DOMESTIC ANIMALS**

**CAUTION:** Harmful if absorbed through the skin. Avoid breathing spray mist. Avoid contact with skin, eyes and clothing. Wash hands thoroughly with soap and water after handling. Avoid contamination of food and foodstuffs. Do not remain in enclosed areas after use. Ventilate enclosed areas before returning.

**Remove plants, pets, and birds before using. Cover and turn off fish aquariums.**

**PHYSICAL OR CHEMICAL HAZARDS:**

**FLAMMABLE:** Contents under pressure. Keep away from heat, sparks, and open flame. Do not puncture or incinerate container. Exposure to temperatures above 120°F may cause bursting.

**FIRST AID**

If on skin or clothing: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes.

If inhaled: Remove person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth-to-mouth if possible.

**IN CASE OF EMERGENCY, CALL A POISON CONTROL CENTER OR DOCTOR FOR TREATMENT ADVICE.**

Have the product container or label with you when calling a Poison Control Center or doctor or going in for treatment. For additional information on this pesticide product (including health concerns, medical emergencies or pesticide accidents), you may call 1-800-851-7145
