**PRECAUTIONARY STATEMENTS / HAZARDS TO HUMANS AND DOMESTIC ANIMALS CAUTION:** Harmful if ingested. Avoid breathing vapors. Causes moderate eye irritation. Avoid contact with eyes or clothing. Prolonged or frequently repeated skin contact may cause allergic reactions in some individuals. Wear protective rubber gloves when applying this product. Wash thoroughly with soap and water after handling and eating, drinking, chewing gum, using tobacco or using the toilet. Apply this product only as specified on this label. Do not use on dogs under 12 weeks of age. Consult a veterinarian before using this product on debilitated, aged, medicated, pregnant or nursing animals. Sensitivities may occur and should be treated using an AVB pesticide product for pets. If signs of sensitivity occur, bathe your pet with mild soap and rinse with large amounts of water. If signs continue, consult a veterinarian immediately.

**CONTRAINDICATIONS FOR USE:** It is a violation of Federal Law to use this product in a manner inconsistent with its labeling. Wet dog’s coat thoroughly. Pour SENTRY® Flea & Tick Shampoo for dogs and puppies with oatmeal into the cup of your hand. Starting at the head and working back, work up a lather with this quick lathering formula, be sure that the lather is worked thoroughly into dog’s coat down to the skin. Allow lather to stand five minutes, then rinse completely and towel dry. It should not be necessary to repeat the shampoo application unless the animal is excessively dirty. Kills fleas fast and begins to kill ticks within 1 or 2 days, reaching maximum effectiveness in 7 to 10 days. To maintain maximum effectiveness against both fleas and ticks, repeat every week. Cuts that actively groom or engage in close physical contact with treated dog may be at risk of serious harmful effect.

**IF IN EYES:** Hold eye open and rinse slowly and gently with water for 15-20 minutes, then remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for further treatment advice.

**IF ON SKIN OR CLOTHING:** Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes, then call a poison control center or doctor for further treatment advice.
