ORGANOSILICONE SURFACTANT BLEND
WETTER / SPREADER / PENETRANT

Principal Functioning Agents:
- Alcohol ethoxylates, silicone-polyether copolymer,
- propylene glycol and dimethylpolysiloxane

Surfactant content: 99%
CA Reg. No. 34704-50031
WA Reg No. 34704-04005

TOTAL

KEEP OUT OF REACH OF CHILDREN
CAUTION
NET CONTENTS: 1 U.S. GALLON (3.785 L)
CAUTION: Harmful if swallowed. Causes moderate eye irritation. Avoid contact with skin, eyes or clothing. Avoid breathing spray mist. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum or smoking tobacco. Remove and wash contaminated clothing before reuse. PERSONAL PROTECTIVE EQUIPMENT: Wear chemical-resistant gloves, long-sleeved shirt and long pants, shoes plus socks when mixing or applying FREEWAY®.

FIRST AID: If on skin or clothing: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. If in eyes: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. If swallowed: Call a poison control center or doctor immediately for treatment advice. Have a person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by the poison control center or doctor. Do not give anything by mouth to an unconscious person. If inhaled: Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible.

FOR A MEDICAL EMERGENCY INVOLVING THIS PRODUCT, CALL 1-866-944-6565.

GENERAL: FREEWAY® is a non-ionic, organofunctional silicone surfactant. FREEWAY will decrease surface tension of spray solution below conventional surfactants resulting in better coverage. FREEWAY promotes rapid spreading at low use rates. High water volumes can result in excessive run-off of spray. Adjust rates of FREEWAY or spray volume to get coverage without run-off.

MIXING: Fill spray tank half full with water and begin agitation. FREEWAY® is a low foam formula but some foam may be generated during mixing. If foaming is anticipated or experienced add an anti-foaming agent like UNFOAMER® to tank before adding pesticides. Add pesticides / foliar nutrients as directed by label while maintaining agitation. After pesticides and foliar nutrients are thoroughly mixed, add desired amount of FREEWAY®. Some pesticides have stated adjuvant use rates. In all cases, the pesticide manufacturer’s label should be consulted regarding specific adjuvant use recommendations and that rate followed. Do not add adjuvant at a level that would exceed 5% of the finished spray volume. For tank mix compatibility concerns, conduct a jar test of the proposed mixture to ensure compatibility of all components. Mix components in the same ratio as the proposed tank mix.

BASED ON TREATMENT: FREEWAY® is specially designed to aid penetration of fertilizers, nutrients, insecticides, fungicides, and herbicides through the bark. Use 1% to 2 1/2% FREEWAY® by volume of spray solution. IMPORTANT: FREEWAY has demonstrated excellent plant safety; however, not all species and varieties have been tested. Before treating a large area, treat a small area and observe prior to full scale application. Not for aquatic use.

STORAGE AND DISPOSAL:

FREEWAY will not harm FREEWAY®, but will become thick at cooler temperatures. Warm product before use. Store in cool, dry place. Store in original container. Keep tightly closed. Do not reuse empty container.

DISPOSAL: Do not contaminate water, food, or feed by storage or disposal. Wastes may be disposed of on-site or at an approved waste disposal facility. Triple rinse (or equivalent) adding rinse water to spray tank. Offer container for recycling or dispose of container in sanitary landfill, or by other procedures approved by appropriate authorities. Recycling decontaminated containers is the best option of container disposal. The Agricultural Container Recycling Council (ACRC) operates the national recycling program. To contact your state and local ACRC recycler visit the ACRC web page at www.acrecycle.org. For help with any spill, leak, fire or exposure involving this material, call day or night CHEMTREC 1-800-424-9300.

CONDITIONS OF SALE AND LIMITATION OF WARRANTY AND LIABILITY:

BEFORE BUYING OR USING THIS PRODUCT, read the Directions for Use and the following Conditions of Sale and Limitation of Warranty and Liability. By buying or using this product, the buyer or user accepts the following Conditions of Sale and Limitation of Warranty and Liability, which no employee or agent of LOVELAND PRODUCTS, INC. or the seller is authorized to vary. LOVELAND PRODUCTS, INC. warrants that this product conforms to the chemical description on the label and is reasonably fit for the purposes stated in the Directions for Use, when the product is used in accordance with such Directions for Use under normal conditions of use. LOVELAND PRODUCTS, INC. MAKES NO OTHER WARRANTY EXPRESS OR IMPLIED, INCLUDING BUT NOT LIMITED TO MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. THE BUYER’S OR USER’S EXCLUSIVE REMEDY FOR ANY INJURY, LOSS, OR DAMAGE RESULTING FROM THE HANDLING OR USE OF THIS PRODUCT SHALL BE LIMITED TO ONE OF THE FOLLOWING: AT THE ELECTION OF LOVELAND PRODUCTS, INC. OR THE SELLER: DIRECT DAMAGES NOT EXCEEDING THE PURCHASE PRICE OF THE PRODUCT OR REPLACEMENT OF THE PRODUCT; LOVELAND PRODUCTS, INC. AND THE SELLER SHALL NOT BE LIABLE TO THE BUYER OR USER OF THIS PRODUCT FOR ANY CONSEQUENTIAL, SPECIAL, OR INDIRECT DAMAGES, OR DAMAGES IN THE NATURE OF A PENALTY.
