**rocima™ 63 microbicide**

Industrial Microbidc, For Use In, Exterior Paints, Coatings, and, Building Materials

**Active Ingredients:**
- 5-(4-ethyl-1-methylpyridin-2-yl)isourea 29.50%
- Carbamid acid, trimethyl-1, 6, 9-triethanolamide 7.00%
- 2-Cyclohexylamine-bis(hydroxylamine) 2.70%

**Inert Ingredients:**
63.80%

**Total**
100.00%

**Precautionary Statements: Hazards to Humans and Domestic Animals**

**Danger**

This product is a dermal sensitizer. Do not get in eyes, on skin or on clothing. Wear gloves or face shield, rubber gloves and protective clothing when handling. Do not breathe vapor or mist. Avoid contamination of the food. Do not eat, drink, swim, or chew tobacco. Wash thoroughly with soap and water after handling. Do not store in contact with food or feedstuffs. Do not contaminate water sources. Keep out of reach of children.

**First Aid**

- Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 min.
- If inhaled, remove from source of contamination and get fresh air. If not breathing, give artificial respiration. If breathing stops, give artificial respiration. If breathing is difficult, give oxygen.
- If swallowed, rinse out mouth and pharynx with plenty of water. If breathing is difficult, give oxygen. If breathing stops, give artificial respiration.
- If eye irritation continues, obtain medical assistance.
- If exposed, wash hands with soap and water prior to eating, drinking, using the toilet, or at any other times when handwashing is desired.

**Environment**

This product is toxic to fish and aquatic invertebrates. Do not discharge effluent containing this product into lakes, streams, ponds, reservoirs, oceans, or other waterbodies in accordance with the requirements of a National Pollutant Discharge Elimination System (NPDES) permit and the permitting authority has been notified of this wastewater discharge. Do not discharge effluent containing this product into sewer systems without previous notification to the nearest wastewater treatment plant(s), the State Water Board or Regional Office of the EPA. Do not containize waste by cleaning of equipment or disposal of waste. Apply this pesticide as specified on this label.

**Storage and Disposal**

**Pest Control Storage**

This product is to be stored in rigid steel drums. Do not store or transport in unlined metal containers. Do not contaminate food or feed by storage, disposal or cleaning of equipment.

**Pesticide Disposal**

Pesticide wastes are hazardous. Improper disposal of excess pesticide or plant residue is a violation of Federal law. Do not store or contaminate water sources. Keep out of reach of children. All residues must be disposed of in accordance with the requirements of a National Pollutant Discharge Elimination System (NPDES) permit and the permitting authority has been notified of this wastewater discharge. Do not discharge effluent containing this product into sewer systems without previous notification to the nearest wastewater treatment plant(s), the State Water Board or Regional Office of the EPA. Do not containize waste by cleaning of equipment or disposal of waste. Apply this pesticide as specified on this label.

**DIRECTIONS FOR USE**

**Contents**

For use as a microbicide to control bacteria, fungi and viruses. For use as a preservative in food products. Use 0.25 - 1.5 parts of ROCIMA™ 63 MICROBICIDE per 100 parts of formulation.

**Boiling Materials**

For use as a microbicide to control bacteria, fungi and viruses. For use as a preservative in food products. Use 0.25 - 1.5 parts of ROCIMA™ 63 MICROBICIDE per 100 parts of formulation. Build materials may be used depending on the level of control required. Use levels of ROCIMA™ 63 MICROBICIDE will depend upon the type of formulation, the level of protection required, and the climate in which the material will be exposed.

**Conditions of Sale and Warranty**

Facts and these materials conform to the control specifications and are in conformance with state and local requirements. ROCIMA™ 63 MICROBICIDE is covered by a warranty. ROCIMA™ 63 MICROBICIDE is manufactured by ROCIMA, Inc. ROCIMA, Inc. makes no warranty, express or implied, of any kind or nature, including, but not limited to, any warranty of merchantability or fitness for a particular purpose, and no representation is made that the use of ROCIMA™ 63 MICROBICIDE will in any way correct the condition of the material in which it is used. If any product proves to be defective, the sole liability of ROCIMA, Inc. is limited to the replacement or, at its option, a refund of the purchase price. ROCIMA, Inc. reserves the right to change the specifications or make any corrections in the product at any time without notice. ROCIMA, Inc. makes no representations or warranties that the results of the use of ROCIMA™ 63 MICROBICIDE will be sufficient for the purpose intended.
