Use to clean, sanitize**, or disinfect non-porous inanimate surfaces made of metals (aluminum, stainless steel, and iron) and plastics (polyethylene, polypropylene, polyvinyl chloride, polytetrafluoroethylene). **

**Contraindications:** Avoid contact with the eyes. Wash thoroughly with soap and water after handling and before eating, drinking, and smoking.

**Precautions:** Store in original container in areas inaccessible to children. Non-refillable container. Do not reuse or refill this container. Offer for recycling if available. Wrap and put in trash.

**First Aid:**
- If swallowed: Call 1-800-255-3284 for emergency medical treatment information.
- If inhaled: Move person to fresh air. If person is not breathing, call 911 or an ambulance.
- If skin contact occurs, wash skin with soap and water for 15-20 minutes. Remove contaminated clothing. Rinse skin with cool water.
- If in the eyes: Hold eye open and rinse slowly and gently with water for 15-20 minutes.
- If on clothing: Rinse immediately with plenty of water for 15-20 minutes. Remove contaminated clothing.

**Usage:** Use as a Sanitizer for Hair Clippers and Electric Shavers. Disconnect from the electrical supply. Hold in the downward position and apply the product to thoroughly wet the blades. Make sure the solution does not drip into the housing. Wrap out of blades. Reapply and allow to remain wet for 10 seconds, then wrap out with a dry cloth. Lubricate blades per the manufacturer’s instructions.

**Surfaces:** Suitable for use on porcelain, fiberglass, metal, and plastic. Not recommended for use on rubber, leather, or plastics other than those listed above.

**DIRECTIONS FOR USE:**
- Apply the undiluted product by spray to wet all surfaces thoroughly. When used as directed, the product effectively kills the following microorganisms at room temperatures: Staphylococcus aureus**, Bacillus subtilis**, Pseudomonas aeruginosa**, and Mycobacterium smegmatis**. Cool the blades before use.

**Storage and Disposal:**
- Store in original container in areas inaccessible to children. Non-refillable container. Do not reuse or refill this container. Offer for recycling if available. Wrap and put in trash.

**Additional Information:**
