DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling. Read and follow all directions and precautions on this product label.

To repel insects and protect against sunburn, apply evenly on exposed skin areas 15 minutes before exposure. Reapply as needed or after towel drying, swimming or perspiring. Use just enough product to cover exposed skin. Do not use under clothing. If used on face, spread on hands first, then apply sparingly to face and ears. Do not apply near eyes and mouth. Avoid overapplication. Do not apply over cuts, wounds or sunburned or irritated skin. Do not allow children to handle this product. When using on children, apply to your own hands and then put it on the child. Do not apply to children's hands. As with all sunscreens, for children under 6 months of age, ask a doctor.

After returning indoors, wash treated skin with soap and water. Wash treated clothing before wearing it again.

STORAGE AND DISPOSAL

PESTICIDE STORAGE: Store in a cool, dry place inaccessible to children. Do not contaminate water, food, or feed by storage and disposal.

CONTAINER DISPOSAL: If empty: Nonrefillable container. Do not reuse or refill this container. Offer for recycling, if available.

If partly filled: Call your local waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain.
