PRECAUTIONARY STATEMENTS
HAZARDS TO HUMANS AND DOMESTIC ANIMALS

CAUTION

Causes moderate eye irritation. Harmful if swallowed or absorbed through skin. Avoid contact with skin, eyes, or clothing. Wash thoroughly with soap and water after handling.

PERSONAL PROTECTIVE EQUIPMENT (PPE):

Applicators and other handlers must wear:
- Long-sleeve shirt and pants
- Chemical-resistant gloves (such as butyl laminate, nitrile, rubber, neoprene, rubber and vinyl), and
- Shoes plus socks.

USER SAFETY RECOMMENDATIONS

Users should:
- Wash hands before eating, drinking, chewing gum, using tobacco or using the toilet.
- Remove clothing immediately if pesticide gets inside. Then wash thoroughly and put on clean clothing.
- Remove personal protective equipment immediately after handling this product. Wash the exterior of gloves before removing. As soon as possible wash thoroughly.
- Follow manufacturer's instructions for storing/manufacturing PPE. If no such instructions exist, wash, dry, and sanitize each item separately from household laundry.

POLYPHASE® 678

ACTIVE INGREDIENT: MethylBenzimidazole-2-yl Carbamate 15.0%
3-Iodo-2-propynyl Butyl Carbamate 4.0%
INERT INGREDIENTS: 80.0%
TOTAL 100.0%

ENVIRONMENTAL HAZARDS

This chemical is toxic to terrestrial and aquatic plants, fish, and aquatic invertebrates. Do not apply directly to water, or to areas where surface water is present or to intertidal areas below the mean high water mark. Do not contaminate water when cleaning equipment or disposing of equipment washwater. Do not discharge effluent containing this product into streams, ditches, ditches, creeks, or other waters unless in accordance with the requirements of the National Pollutant Discharge Elimination System (NPDES) permit and the permitting authority has been notified in writing prior to discharge. Do not discharge effluent containing this product to sewer systems without previously notifying the local sewage treatment plant authority. For guidance contact your State Water Board or Regional office of the EPA.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling. Do not apply this product in a way that will contact workers or other persons. The following are suggested use levels for Polyphase® 678. Typical use levels given for the various applications indicate the approximate levels for the particular application. As suggested rates are in percentage by weight relative to the product Polyphase® 678. In order to determine the most effective use level for Polyphase® 678 in a given use, field trials are suggested. Interior and Exterior Plants and Stakes: 0.1-1.0% Wood pedestrian trail use: 0.3-1.5% Adhesives, sealants, and sealers: 0.1-1.5% Joint cements: 0.3-1.5% **Slate/tiles and other surface treatments on non-food grade products: 0.1-1.0% **Paint: 0.0-0.4% **Roof coatings: 0.1-2.0% **Stucco and EPI coatings: 0.1-1.5% **Fence: 0.1-1.5% **Fences: 0.3-2.0%

Polyphase® 678 is not to be used in formulations intended for food contact paper, coatings or food contact adhesive use.

** Not registered for use in State of California.

STORAGE AND DISPOSAL

PESTICIDE STORAGE: Store indoors, at temperatures between 5-40°C (41-104°F)

PESTICIDE DISPOSAL: Do not contaminate water, food, feed or live storage and disposal. Pesticide waste are acutely hazardous. Improper disposal of excess pesticides, empty containers, or waste is a violation of Federal Law. If these wastes cannot be disposed of by one according to label directions, contact your State or environmental control agency or your hazardous waste representative at the nearest EPA Regional office for guidance. Open dumping is prohibited

CONTAINER DISPOSAL: Nonreturnable container. Do not reuse or refill this container. Clean container promptly after emptying. Triple rinse as follows: Empty the remaining contents into application equipment or a mix tank. Fill the container ¾ full with water. Replace and tighten securely. Tip container on its side and roll it back and forth, ensuring at least one complete revolution, for 30 seconds. Stand the container on its side and tip it back and forth several times. Turn the container over onto its other side and tip it back and forth several times. Do not reuse the container. Do not reuse or refill this container. Clean container promptly after emptying. Triple rinse as follows: Empty the remaining contents into application equipment or a mix tank. Fill the container ¾ full with water. Replace and tightly close containers. Tip container on its side and roll it back and forth, ensuring at least one complete revolution, for 30 seconds. Stand the container on its side and tip it back and forth several times. Turn the container over onto its other side and tip it back and forth several times. Do not reuse the container.

NOTE TO PHYSICIAN
