Chem-Trol  
Drift Retardant and Disposition Aid

Principle Functioning Agents:
Polyvinyl Polymer (Polyacrylamide) .............................................................. 1%
Constituents Ineffective as Spray Adjuvant ..................................................... 99%
Total ................................................................................................................. 100%

All ingredients in this product are exempt from the requirements of a tolerance as specified under Title 40, Code of Federal Regulations 180

KEEP OUT OF REACH OF CHILDREN

WARNING

PRECAUTIONARY STATEMENTS

WARNING: Causes eye and skin irritation. Harmful if swallowed or inhaled. Wear protective clothing, protective gloves, and eye and/or face protection. Avoid contact with eyes, skin, and clothing. Wash hands, face, and other affected areas thoroughly after handling. Do not eat, drink, or smoke while using this product. If eye or skin irritation occurs, seek medical attention.

FIRST AID

IF SWALLOWED: Call a poison control center or doctor immediately for treatment advice. Have the person rinse mouth and sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control center or doctor. Do not give anything by mouth to an unconscious person.

IF IN EYES: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes then continue rinsing eyes. Call a poison control center or doctor for treatment advice.

IF ON SKIN OR CLOTHING: Immediately take off contaminated clothing and wash before reuse. Rinse skin immediately with plenty of water. If skin irritation occurs, seek medical attention. Call a poison control center or doctor for treatment advice.

IF INHALED: Remove person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth to mouth to an unconscious person.

GENERAL INFORMATION

Chem-Trol is an effective, easy to use, adjuvant for disposition improvement and drift retardation in spraying operations. Chem-Trol is compatible with most water soluble and wettable powder pesticides, desiccants, and cotton defoliants when applied by aerial or standard ground application.

NOTE: The degree of drift hazard varies with the type of pesticide, application conditions, and vegetation near the sprayed area. Remember, pesticide drift is no accident. Common sense and sound application technology must be followed when spraying pesticides. Chem-Trol will retard, but not totally eliminate drift.

ENVIRONMENTAL HAZARDS: Do not apply directly to water, or to areas where surface water is present, or to intertidal areas below the mean high water mark. Do not contaminate water when cleaning equipment or disposing of equipment wash waters. NOT FOR AQUATIC USE.

California Reg. No. 1050984-50001-AA
Washington Reg. No. 1050984-50001

DIRECTIONS FOR USE

REFER TO PESTICIDE LABEL FOR SPECIFIC CROP USE AND APPLICATION RATES. Prior to use, read and follow all directions on this label and on the label of the pesticide being used. The pesticide manufacturer’s label for specific usages and restrictions have precedence over DIRECTIONS FOR USE referred to on this label. Fill the spray tank half to three quarters full, add pesticide components, and provide good agitation. Select proper dosage from Dosage Chart and add Chem-Trol. If additional surfactants or spray adjuvants are to be used, they should be added after Chem-Trol. Continue agitation until tank is full.

STORAGE AND DISPOSAL INFORMATION

STORAGE: Store product locked up in original container and keep container tightly closed when not in use. Take care to prevent water from being introduced to the contents of this container. Keep away from sparks, flame, static electricity or other ignition sources. Shake well before use and keep from freezing.

DISPOSAL: Do not contaminate water, food, or feed by storage or disposal. Triple rinse empty container and offer for recycling or dispose of in an approved sanitary landfill. Disposal of contents and/or container must be in compliance with local, state, and federal laws and regulations. DO NOT REUSE EMPTY CONTAINER FOR ANY PURPOSE.

NOTICE OF WARRANTY:

Seller warrants that this product conforms to the chemical description on the label thereof and is reasonably fit for purposes stated on such label only when used in accordance with the directions under normal use conditions. It is impossible to eliminate all risks inherently associated with the use of this product. Crop injury, ineffectiveness or other unintended consequences may result because of such factors as weather conditions, presence of other materials, or the manner of use or application, all of which are beyond the control of the Seller. IN NO CASE SHALL SELLER BE LIABLE FOR CONSEQUENTIAL, SPECIAL OR INDIRECT DAMAGES RESULTING FROM THE USE OR HANDLING OF THIS PRODUCT. ALL SUCH RISKS SHALL BE ASSUMED BY THE BUYER. SELLER MAKES NO WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE NOR ANY OTHER EXPRESS OR IMPLIED WARRANTY EXCEPT AS STATED ABOVE.
