FENNOSAN C-12

Active Ingredients
Sodium Hypochlorite ........................................ 12.5%
Insert ingredients ........................................ 87.5%
Total .......................................................... 100.0%

KEEP OUT OF REACH OF CHILDREN

DANGER

First Aid
If inhaled:  Move person to fresh air.
If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth
if possible.
If swallowed:  Call a poison control center or doctor for treatment advice.
If in eyes:  Hold eyes open and rinse slowly with water for 15–20
minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye.
If skin or clothing:  Rinse skin immediately with plenty of water for 15–20
minutes. Call a poison control center or doctor or treatment advice.

PRECAUTIONARY STATEMENTS
HAZARDS TO HUMANS AND DOMESTIC ANIMALS

DANGER: Corrosive, may cause severe skin and eye irritation or chemical burns to broken skin. Cause eye damage. Wear safety glasses or goggles and rubber gloves when handling this product. Wash after handling. Avoid breathing vapors. Vacate poorly ventilated areas as soon as possible. Do not return until strong odors have dissipated.

ENVIRONMENTAL HAZARDS: This pesticide is toxic to fish and aquatic organisms. Do not discharge effluent containing this product into lakes, streams, ponds, estuaries, oceans or other waters unless in accordance with the requirements of a National Pollutant Discharge Elimination System (NPDES) permit and the permitting authority has been notified in writing prior to discharge. Do not discharge effluent containing this product to sewer systems without previously notifying the local sewage treatment plant authority. For guidance contact your State Water Board or Regional Office of the EPA.

PHYSICAL OR CHEMICALS HAZARDS:
STRONG OXIDIZING AGENT: Mix only with water according to label directions. Mixing this product with chemicals (e.g. ammonia, acids, detergents, etc.) or organic matter (e.g. urine, feces, etc.) will release chlorine gas which is irritating to eyes, lungs and mucous membranes.

CONSUMER ADVICE
KEEP CONTAINER CLOSED

INHALATION: Remove to fresh air. If not breathing, give artificial respiration. If breathing is difficult, give oxygen. Seek medical attention immediately.

EYES: Rinse eyes immediately with plenty of water for 15–20
minutes. Keep continued rinsing until eyes are normal. Seek medical attention immediately.

INGESTION: Give 1–2 cups of water or milk. Never give anything by mouth to an unconscious person. Seek medical attention immediately.

SKIN: Wash with plenty of water and mild soap. If irritation occurs, seek medical attention immediately.

Recovery: See above.

EMERGENCY RESPONSE

For emergency assistance involving chemicals call CHEMTREC day or night at (800) 424-9300. In Case of Fire: Use water spray, dry chemicals or CO2. Do not use a direct water stream. Use water spray to cool nearby containers exposed to fire. Firefighter should wear self-contained breathing apparatus. In Case of Spill: Wear protective equipment including rubber boots, rubber gloves, rubber apron, chemical goggles, and respiratory protection. Flush small spills into waste treatment system with lots of water. For large spills, contain, neutralize with dilute sodium bisulfite, flush neutralized material to waste treatment system with lots of water. Avoid contact with acids. Do not use combustible materials, such as sawdust to absorb spills. Comply with governmental regulations on reporting releases.
