KILLS HIV-1 ON PRE-CLEANED ENVIRONMENTAL SURFACES:

OBJECTS PREVIOUSLY SOILED WITH BLOODSTAINED FABRICS IN HEALTH CARE SETTINGS (Hospital, Nursing Homes, or other settings in which there is an expected threshold of soilage of tissue surfaces caused by blood, body fluids, and in which the surfaces are likely to be soiled with blood or body fluids) can be disinfected with the potential for transmission of human immunodeficiency virus (HIV-1) (HIV-1) associated with AIDS.

SPECIAL INSTRUCTIONS FOR CLEANING AND RECONSTITUTION AGAINST HIV-1 OF SURFACE CONTAMINANTS TREATED WITH BLOODSTAINED FABRICS:

PERSONAL PROTECTION: When handling items, use gloves and eyewear. Wear protective clothing, including overalls, rubber gloves, boots, and a respirator. Avoid contact with skin and mucous membranes.

CLEANING PROCEDURES: Blood and body fluids must be thoroughly cleansed and disinfected according to local regulations for infectious waste disposal.

PRECAUTIONARY STATEMENTS:

Hazard to humans and domestic animals:

WARNINGS:

KEEP OUT OF REACH OF CHILDREN.

Cautions:

Do not get in eyes, on skin or on clothing. Harmful if swallowed. Avoid contact with eyes, skin, or clothing. Do not inhale. Do not fume or smoke. Wash thoroughly with soap and water after handling.

First Aid:

If the product container or vessel is punctured, place the container or vessel in a well-ventilated area. If swallowed, call a physician or poison control center. If inhaled, get fresh air. Call a physician or poison control center. If in eyes, rinse with cool water for 15 minutes. If in mouth, rinse with cool water for 15 minutes. If in skin, wash with soap and water for 15 minutes. If in clothing, remove clothing immediately and wash with cool water for 15 minutes.

NOTE TO PHYSICIAN:

Probable medical damage may result from exposure to the use of garbage bags.

STORAGE AND DISPOSAL:

DO NOT CONTAMINATE WASTE FABRICS, FABRICS, OR FOILS BY STORING OR DISPOSAL.

CONSUMER DISPOSAL:

Rinse cap and dispose of container in trash. Do not incinerate or puncture.

STORAGE:

Store in a dry place at temperatures not below 50°F or higher than 120°F.
