PRECAUTIORY STATEMENTS
HAZARDS TO HUMANS AND DOMESTIC ANIMALS
DANGER. Corrosive. Causes severe burns of respiratory and digestive tracts. Do not get in eyes, on skin or on clothing. Water掟in will splash goggles, face shield, impermeable gloves and boots and other necessary protective equipment.

ENVIRONMENTAL HAZARD
Do not discharge effluent containing this product into lakes, streams, ponds, estuaries, oceans, or other waters unless in accordance with the requirements of a National Pollution Discharge Elimination System (NPDES) permit and the permitting authority has been notified in writing prior to discharge. Do not discharge effluent containing this product to sewer systems without previously notifying the local sewage treatment plant authority. For guidance, contact your State Water Board or Regional Office of the EPA.

PHYSICAL OR CHEMICAL HAZARDS
Corrosive acid. Avoid direct contact with strong alkaline solution. Avoid direct contact with light metals (i.e., aluminum, zinc, tin).

DIRECTIONS FOR USE
For use with 12.5% sodium hypochlorite solution as specified or under the direction of PACE technical representatives.

To regulate the pH of chlorinated water for flower and vegetable processing: Use one gallon of Drench-Phos for every three gallons of 12.5% sodium hypochlorite solution with proper amounts of water so that available chlorine concentrations are achieved as desired for treatment.

STORAGE AND DISPOSAL
STORAGE: Store in a cool, dry, well-ventilated area away from direct sunlight. Do not freeze.

PESTICIDE DISPOSAL: Do not contain water, food or feed by storage or disposal. Pesticide waste are hazardous. Improper disposal of excess pesticide, spray materials, or residues is a violation of Federal Law. If the waste cannot be disposed of by use according to label instructions, contact your State Pesticide or Environmental Control Agency, or the Hazardous Waste representative at the nearest EPA Regional Office for guidance.

CONTAINER DISPOSAL: Triple rinse (or equivalent), Then offer for recycling or reconditioning, or puncture and dispose of in a sanitary landfill, or by incineration, or if allowed by state and local authorities, by burning. If burned, stay out of smoke.

NOTICE TO BUYER
IMPORTANT: Read the information below before using this product. If the terms are not acceptable, you should return the unopened product container immediately for a complete refund.

LIMITED WARRANTY, TERMS OF SALE, AND LIMITATION OF LIABILITY
Upon purchase of this product, the purchaser agrees to the following terms:
Warranty: Peda International, LLC (the Company) warrants that this product conforms to the chemical description on this label in all material respects and is reasonably fit for the purchase referred to in the directions for use, subject to the limitations stated below. The Company's warranty is limited to the replacement of any product which is defective in material or workmanship or fitness for a particular purpose; no such warranty limits liability for the Company's benefit.

Terms of Sale: The Company's obligations under this agreement may be terminated at any time by the Company, in case of breach of a material term of the agreement, without notice and without liability for the Company's benefit. The Company reserves the right to change or modify these terms at any time.

LIMITATIONS OF LIABILITY: The exclusion remedy against the Company for any cause of action relating to the handling or use of this product is a claim for damages, and no other remedy is available. The Company shall not be liable for any special, indirect, incidental, or consequential damages of any kind, including loss of profits or income, and any such claims are hereby waived.

The Company and the seller offer this product, and the purchaser and user accept this product, subject to the foregoing warranty, terms of sale, and limitation of liability, which may be varied or modified only by an agreement in writing signed on behalf of the Company by an authorized representative.
