Phosphoric Acid pH Acidifier/Buffer

FOR AGRICULTURAL USE ONLY
Not for aquatic use.

ACTIVE INGREDIENT:
Phosphoric Acid................................................................. 24.0%
INERT INGREDIENTS:......................................................... 76.0%
Total................................................................. 100.0%

CA Reg. No. 64864-50012-AA
EPA Est. No. 64864-WA-011

KEEP OUT OF REACH OF CHILDREN
DANGER

FIRST AID
Have the product container or label with you when calling a poison control center or doctor or going for treatment.
If in eyes: Hold eye open and rinse slowly and gently with water for 15 - 20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing. Call a poison control center or doctor for treatment advice.
If on skin: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15 - 20 minutes. Call a poison control center or doctor for treatment advice.
If swallowed: Call a poison control center or doctor immediately for treatment advice. Move person up a glass of water if able to swallow. Do not induce vomiting unless told to by a poison control center or doctor. Do not give anything to an unconscious person.

PRECAUTIONARY STATEMENTS
HAZARDS TO HUMANS AND DOMESTIC ANIMALS
DANGER: Corrosive. Causes severe burns of eyes and skin. May cause severe burns of respiratory and digestive tracts. Do not get in eyes, on skin or on clothing. Wear chemical splash goggles, face shield, impervious gloves and boots and other necessary protective equipment.

ENVIROMENTAL HAZARD
Do not discharge effluent containing this product into lakes, streams, ponds, estuaries, oceans, or other waters unless in accordance with the requirements of a National Pollutant Discharge Elimination System (NPDES) permit and the permitting authority has been notified in writing prior to discharge. I am not discharge effluent containing this product to sewer systems without previously notifying the local sewage treatment plant authority. For guidance, contact your State Water Board or Regional Office of the EPA.

PHYSICAL OR CHEMICAL HAZARDS
Corrosive acid. Avoid direct contact with strong alkaline solution. Avoid direct contact with light metals (i.e. aluminum, zinc, tin).

DIRECTIONS FOR USE
For use with 12.5% sodium hypochlorite solution as specified or under the direction of PACE technical representatives.

To regulate the pH of chlorinated water for fruit and vegetable processing: In chlorinated water, add one gallon of Drench-Phos for every 3 gallons of 12.5% sodium hydroxide solution that was added to the water, so that available chlorine concentrations are achieved as desired for treatment. Do NOT mix directly with chlorine or with chlorinated water containing more than 400 ppm total chlorine.

STORAGE AND DISPOSAL
STORAGE: Store in a cool, dry, well-ventilated area away from direct sunlight. Do not freeze.
PESTICIDE DISPOSAL: Do not contaminate water, food or feed by storage or disposal. Pesticide wastes are hazardous waste. Improper disposal of excess pesticide, spray mixture, or inmate is a violation of Federal Law. If the waste is not disposed of in accordance with label instructions, contact your State Pesticide or Environmental Control Agency, or the Hazardous Waste Representative at the nearest EPA Regional Office for guidance.
CONTAINER DISPOSAL: Triton rinse (or equivalent). Then offer for recycling or reconditioning, or puncture and dispose of in a sanitary landfill, or by incineration, or if allowed by state and local authorities, by burning. If burned, stay out of smoke.

NOTICE TO BUYER
IMPORTANT: Read the information below before using this product. If the terms are not acceptable, you should return the unopened product container immediately for a full refund.

LIMITED WARRANTY, TERMS OF SALE, AND LIMITATION OF LIABILITY
Upon purchase of this product, purchaser and user agree to the following terms:
Warranty: Pace International, LLC (the Company) warrants that this product conforms to the chemical description on the label in all material respects and is reasonably fit for the purpose referred to in the directions for use, subject to the exceptions noted below, which are beyond the Company's control. The Company makes no other representation or warranty, express or implied, concerning the product, including no implied warranty of merchantability or fitness for a particular purpose; no such warranty is implied by law, and no agent or representative is authorized to make any such warranty on the Company's behalf.

Terms of Sale: The Company's directions for use of this product should be followed carefully. It is impossible to eliminate all risks inherently associated with use of this product. Crop injury, ineffectiveness or other unintended consequences may result because of such factors as weather conditions, presence of other materials, and the manner of use or application (including failure to adhere to label directions), all of which are beyond the Company's control. All such risks are assumed by the user. Sale of this product is governed by the internal laws of the State of Washington, any action with respect to this product shall be brought exclusively in the State or federal courts located at Seattle, Washington, USA.

Limitations of Liability: The exclusive remedy against the Company for any cause of action relating to the handling or use of this product is a claim for damages, and in no event shall damages or any other recovery of any kind exceed the price of the product which caused the alleged loss, damage, injury, or other claim. Under no circumstances shall the Company be liable for any special, indirect, incidental, or consequential damages in any form, including loss of profit or income, and any such claims are hereby waived.

The Company and the seller offer this product, and the purchaser and user accept this product, subject to the foregoing warranty, terms of sale, and limitation of liability, which may be varied or modified only by an agreement in writing signed on behalf of the Company by an authorized representative.
