MILDEW CHECK® Multi-Purpose Wash (Patent #4,660,263) is a mildewcide/algaecide wash specially formulated for cleaning and killing mildew and algae.

**Topcoat Recommendations:**
- **MILDEW CHECK Wash** is formulated for optimum performance when topcoated with any high quality paint or stain. For best results, when using this product as a mildewcide/algaecide wash only, topcoat every 2 years or when mildew becomes objectionable.

**LIMITED WARRANTY**
- PPG warrants your satisfaction with the application, appearance, and performance properties of this product if it is properly applied to a properly prepared surface in accordance with label directions. PPG MAKES NO OTHER EXPRESS WARRANTIES. IN THE EVENT THE PRODUCT FAILS TO CONFORM TO THIS WARRANTY, PPG, AS ITS SOLE LIABILITY AND IN LIEU OF ANY DIRECT OR INDIRECT, INCIDENTAL, SPECIAL, OR CONSEQUENTIAL DAMAGES, WILL AT YOUR OPTION, FURNISH REPLACEMENT PRODUCT OR REFUND THE PURCHASE PRICE — LABOR OR COSTS OF LABOR FOR THE APPLICATION OF ANY PRODUCT SPECIFICALLY ARE EXCLUDED. You must supply proof of purchase. This warranty gives you specific legal rights, and you may also have other rights which vary from state to state. Some states do not allow the exclusion or limitation of incidental or consequential damages, so the above limitation or exclusion may not apply to you. To make a claim under this warranty, contact the store where you purchased the product or, PPG Industries, Inc., PPG Place, Pittsburgh, PA 15272.

**PERSONAL PROTECTIVE EQUIPMENT (PPE) FOR COMMERCIAL USERS**
- Apply all cleaning and treatment chemicals in a well ventilated area. Do not bring or use glass or metal objects into the treated area. Do not allow children, pets, or livestock to enter the treated area until all treated areas are dry.

**STORAGE AND DISPOSAL**
- Store out of the reach of children. Protect from freezing. Store at temperatures between 50°F (10°C) and 120°F (49°C).

**DIRECTIONS FOR USE:**
- It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

**GENERAL INFORMATION**
- Mixing Instructions: Add 1/2 oz (10 ml) of MILDEW CHECK Multi-Purpose Wash in 1 gal (3.8 liters) of water. Mix well. Wash and rinse thoroughly. Mix remaining wash solution well before each retreatment.
- Application Instructions: MILDEW CHECK Multi-Purpose Wash should be applied with a spray equipment recommended below. Use the treated area from the outside in to the inside when the treated area is not subject to traffic. Use the treated area from the outside in to the inside when the treated area is subject to traffic. Mix the remaining wash solution well before each retreatment.
- Recommended Safety Equipment: The PPE Premium Deck Care System is a plastic, pattern style garden sprayer and hose. Additional garden sprayer equipment MUST be used.

**FIRST AID**
