**PROCAUTIONARY STATEMENTS**

**HAZARDS TO HUMANS:** Causes moderate eye irritation. Avoid contact with eyes and clothing. Wash thoroughly with soap and water after handling and before eating, smoking, chewing gum, or using tobacco. Repeated exposure to Pesticide can cause liver and kidney damage.

**HAZARDS TO DOMESTIC ANIMALS:** For External Use Only. Do not use on pets under 12 weeks of age. Consult a veterinarian before using on medicated animals, animals with skin or eye irritations, or with a history of skin or eye problems. Consult a veterinarian before using on pregnant or nursing animals. Consult a veterinarian for smaller cats or for cats under 5 lbs. Consult a veterinarian before using on debilitated, aged, or animals. Certain medications can interact with pesticides. Consult a veterinarian before using on medicated animals.

**FIRST AID**

**IF IN EYES:** Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing. Call a poison control center or doctor for treatment advice. Have the product container or label with you when calling a poison control center or doctor.

**IF INHALED:** Remove the person from the contaminated area and give the person fresh air. If the person is not breathing, give artificial respiration. If you have questions or comments about this product, please write:

**HAZARDS TO DOMESTIC ANIMALS:**

**Physical or chemical hazards:** Combustible: Do not use or store near heat or open flame.

**Chemical hazards:** Network exposure to Pesticides can cause skin irritation.

**Sensitivities may occur after using ANY pesticide product for pets.** If signs of sensitivity occur, bathe your pet with mild soap and rinse with large amounts of water. If signs continue, consult a veterinarian immediately. Certain medications can interact with pesticides. Consult a veterinarian before using this product on debilitated, aged, pregnant, or nursing animals.

**FOR EXTERNAL USE ONLY.** Do not use on pets under 12 weeks of age.

**FOR USE ON CATS:**

Do not get this product in your pet's eyes or mouth. Do not apply more often than once every 30 days. Only apply on the back of the animal's neck behind the ears. Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing. Call a poison control center or doctor for treatment advice. Have the product container or label with you when calling a poison control center or doctor.

**HOW TO APPLY:**

Remove product tube from the package. Holding tube with notched end pointing up and away from the face and body, cut off the narrow end at the notches. While holding the animal with one hand, use the other hand to grasp the animal's coat. When finished, wrap the tube in paper and put into the trash.

**STORAGE AND DISPOSAL**

**PESTICIDE STORAGE:** Do not remove tube from the pack until ready to use. Store in a cool (below 25°C) dry place out of reach of children and pets. Do not refrigerate. Protect from direct sunlight.

**PESTICIDE DISPOSAL AND CONTAINER HANDLING:** Place in trash or offer for recycling if available. If empty:

For small containers—Flush the container with at least 4 liters (1 gallon) of water. Place in trash or offer for recycling if available.

For large containers—Call your local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain.

**DIRECTIONS FOR USE**

It is a violation of Federal Law to use this product as a manner inconsistent with its labeling. Do not get this product in your pet's eyes or mouth. Do not apply more than once every 30 days. Use only on cat. Do not bathe pet within the first 24 hours after squeeze-on has been applied. Do not get this product in your pet's eyes or mouth. Do not apply more often than once every 30 days.
