Precautionary Statements
Caution: Causes irreversible eye damage and skin burns. Harmful if swallowed, inhaled, or absorbed through the skin. Wear protective eyewear (goggles or face shield) and chemical-resistant gloves. Do not get in eyes, on skin, or on clothing. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum or smoking tobacco. Remove and wash contaminated clothing before reuse.
Personal Protective Equipment: Wear protective eyewear (goggles or face shield), chemical-resistant gloves, long-sleeved shirt and long pants, and shoes plus socks.

First Aid
If swallowed: Call a poison control center or doctor immediately for treatment advice. Have the person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control center or doctor. Do not give anything by mouth to an unconscious person. If inhaled: Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible. Call a poison control center or doctor for further treatment advice. If in eyes: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice. If on skin or clothing: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control center or doctor for treatment advice.

Net Contents:
4 x 1 Gallons
1 Gallon/3.785 Liters

Manufactured by:
GENESIS AGRI • PRODUCTS INC.
Warehouse: 2522 Old Town Road
Union Gap, Washington 98903

MADE in U.S.A.
WA Reg. No. 71089-05001

SB54101
General Information
SB-56 is a blend of nonionic and anionic adjuvants to be used with miticide, insecticide, and fungicide spray applications.
Add SB-56 last to spray solutions.

Not For Aquatic Use

Storage and Disposal
Do not contaminate water, food, or feed by storage or disposal.
Storage: Store above 32°F. Store away from heat or open flame and oxidizing materials.
Disposal: Wastes resulting from this product may be disposed of on site or at an approved waste disposal facility. Triple rinse (or equivalent) during mixing and loading. Recycling decontaminated containers is the best option of container disposal. The Agricultural Container Recycling Council (ACRC) operates the national recycling program. To contact your state and local ACRC recycler visit the ACRC web page at www.acrcycle.org. Decontaminated containers may also be disposed of in a sanitary landfill.

Use Directions
The suggested usage rates below are considered adequate for most uses. Some pesticide formulations or some crop conditions may require more or less SB-56 than suggested. Check the label after the initial spray load and adjust the concentration if necessary.

SB-56 Use Rate per 100 Gallons of Water
Ground Sprays (Field Crops).................................4 to 16 fl. oz.
Dilute Sprays (Tree Crops)....................................4 to 8 fl. oz.
Concentrate Sprays..............................................8 to 16 fl. oz.
Aerial Sprays....................................................8 to 16 fl. oz.
Grapes (all).......................................................1 to 8 fl. oz.
Hops..............................................................4 to 16 fl. oz.

Notice-Read Carefully
TERMS AND CONDITIONS OF SALE Seller warrants that the product conforms to its chemical description and is reasonably fit for the purpose stated on the label when used in accordance with directions under normal conditions of use, but neither this warranty nor any other warranty of merchantability, express or implied, extends to the use, storage or handling of the product contrary to label instructions, or under abnormal conditions, or under conditions not reasonably foreseeable to seller, and buyer assumes the risk of any such use. These risks include, but are not limited to damage of plants, pests and animals to which the materials are applied, failure to control pests, damage caused by drift to other plants or crops and personal injury.
