Kills 99.9% of Household Germs
In Toilet Bowl Water After Each Flush
Artwork below is shown at approximately 100% of actual size

DIRECTIONS FOR USE:
- It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.
- To Sanitize, Clean, and Deodorize:
  1. Cut open package. Do not touch tablet directly.
  2. Flush toilet. When water level in tank is low, drop tablet into the right rear corner of the tank (see diagram).
  3. When toilet has dissolved, replace with this product.
- Each tablet sanitizes the toilet bowl water in 5 minutes for 2 months. Effective for up to 10 flushes per day.
- Tablet should be used in toilets that are flushed daily. Safe for colored toilets.

IMPORTANT: Retain tablet pouch for precautions and first aid instructions.

PRECAUTIONARY STATEMENTS: Hazards to Humans and Domestic Animals
DANGER: Highly corrosive. May be fatal if swallowed. DO NOT TAKE INTERNALLY. Causes eye and skin damage. Irritating to nose and throat. Avoid breathing dust. Do not get into eyes, on skin or clothing. Wear rubber gloves when handling, and wash thoroughly after handling. FAST AID IF IN EYES: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eyes. IF ON SKIN OR CLOTHING: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. IF INHALED: Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth-to-mouth if possible.
- IF SWALLOWED: Call poison control center or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control center or doctor. Do not give anything by mouth to an unconscious person.
- Call a poison control center or doctor for treatment advice. Have the product container or label with you when calling a poison control center or doctor, or going for treatment.

Clorox Information Line: 1-800-292-3200

HAZARD: Probable mucosal damage may contraindicate the use of gastric lavage. PHYSICAL AND CHEMICAL HAZARD: STRONG OXIDIZING AGENT. Keep away from heat or flames. Mix only with water.

STORAGE AND DISPOSAL: Store in original container in areas inaccessible to small children in a cool, dry, well-ventilated area. Do not store at elevated temperatures. Offer empty container for recycling. If recycling is not available, discard empty container in trash.

No mass. Concentrated.
