READ LABEL BEFORE USE

PRODUCT DESCRIPTION & USE

DESCRIPTION & DIRECTIONS FOR USE
This product is an alkalinity agent for use with Mycostat® brand antiaspafstain
products. Read and understand this label, and the Mycostat® product label, before
use. For addition to RTU (ready-to-use) solutions only - do not add directly to
Mycostat® concentrates nor directly to tank-mix concentrates. Add sufficient
Ferrobrite B to achieve a maximum RTU pH of 9.0; not to exceed 1 volume
Ferrobrite B per 10 volumes RTU solution. Caution: Do not use in conjunction with
other Ferrobrite products; gross overuse can cause darkening of certain lumber
species. Silicone emulsion type antifoam products may be used in conjunction with
Ferrobrite-treated RTU solutions where required to suppress foam.

ENVIRONMENTAL HAZARDS
This product is toxic to aquatic/marine organisms - do not apply or discharge
product or products to waters.

STORAGE & DISPOSAL
Store in sealed original container or approved bulk vessel only. Do not reuse empty
containers: triple rinse, then recycle or dispose of container in accordance with
applicable State and local requirements.

WHMIS INFORMATION

CAUTION - IRRITANT

PRECAUTIONS  KEEP OUT OF REACH OF CHILDREN
Prevent contact with eyes & skin: wear rubber gloves, and
chemical goggles or safety glasses. Wear additional
protective equipment as required to prevent skin contact.
Use a respirator suitable for protection against corrosive
mist if exposed to mists. Wash thoroughly after handling,
remove & launder contaminated clothing.

FIRST AID
If in eyes, hold eye open and flush with plenty of running
water for 20 minutes, removing contact lenses if present
after 5 minutes, then seek immediate medical attention. If
on skin, flush with water then wash affected area with soap
and water. Get medical attention if irritation persists. If
ingested, do not induce vomiting. Give conscious patients
large quantities of water and seek immediate medical
attention. If inhaled, remove victim to fresh air, give artificial
respiration if indicated.
