PRECAUTIONARY STATEMENTS
HAZARDS TO HUMANS AND DOMESTIC ANIMALS

DANGER. Keep Out of Reach of Children. Corrodes irreparable eye damage and pain. Harmful to fish, birds, wildlife, and aquatic life. Do not get in eyes, on skin or on clothing. Wear goggles or face shield and rubber gloves and protective clothing when handling. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco or using the toilet. Remove contaminated clothing and wash clothing before reuse.

ENVIRONMENTAL HAZARD
This product is toxic to fish and aquatic invertebrates. Do not discharge effluent containing this product into lakes, streams, ponds, estuaries, or other waterways without accordance with the requirements of a National Pollutant Discharge Elimination System (NPDES) permit and the permitting authority has notified in writing prior to discharge. Do not discharge effluent containing this product into sewer systems without previously notifying the local sewage treatment plant authority. For guidance contact your State Water Board or Regional Office of the EPA.

PHYSICAL OR CHEMICAL HAZARDS
Do not use or store near heat or open flame. Do not mix with oxidizers, aromatic solvents and detergents.

STORAGE AND DISPOSAL
Do not contain water, food or feed by storage and disposal.

PESTICIDE STORAGE:
Open dumping is prohibited. Store only in original container. If a leaky container must be contained within another, mark the outer container to identify the contents. Store pesticides away from food, pet food, feed, seeds, fertilizers, and veterinary supplies. Keep this product under locked storage sufficient to make it inaccessible to children or persons unfamiliar with its proper use.

PESTICIDE DISPOSAL:
Pesticide wastes are acutely hazardous. Improper disposal of excess pesticide, spray misture or runoff in a violation of federal law. Pesticide wastes cannot be disposed of by use according to directions on the label. Federal agencies, such as the Environmental Protection Agency, have defined the Hazardous Waste Responsible at the nearest EPA Regional Office for guidance.

CONTAINER HANDLING DISPOSAL:
Triple rinse (or equivalent). Refill this container with this product only. Do not reuse this container for any other pesticides.

RESIDUE REMOVAL INSTRUCTIONS:
Cleaning the container before final disposal is the responsibility of the person disposing of the container. Cleaning before returning the responsibility of the refiller. To clean the container after final disposal, triple rinse container or equivalent properly after emptying. Triple rinses as follows: Fill container 1/4 full with water. Top container on its side and roll it back and forth, ensuring at least one complete revolution for 30 seconds. Pour out rinsate on and to the left and to the right and to the front and to the back and to the rear of the container. Repeat these procedures two or three times. Follow Pesticide Disposal instructions for residual waste. Repeat this procedure two more times.
