Apply one (0.047 fl oz) (1.4 mL) tube of Sergeant's® Silver Squeeze-On for Cats & Kittens 5 lbs. and over to each cat once every 30 days. Do not allow cats to groom each other until solution has dried. Do not bathe pet within the first 24 hours after squeeze-on has been applied. Households with more than one cat should consider using three applicators. Do not get this product in your pet's eyes or mouth. Use only on Cats.

IF IN EYES: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing. Call a poison control center or doctor for treatment advice. Have the product container or label with you when calling a poison control center or doctor or going for treatment. You may also call 1-800-781-4738 for emergency medical treatment information.

PESTICIDE STORAGE: Do not remove tube from the pack until ready to use. Store in a cool (below 25˚C) dry place out of reach of children and pets. Do not refrigerate. Protect from direct sunlight. If partly filled: Place in trash or offer for recycling if available. If empty: Call your local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain. Do not reuse this container. Place in trash or offer for recycling if available. If used on or near water, call the Clemson Extension Water Quality Program at 864-656-8135 or your local extension office.

CAUTION: It is a violation of Federal Law to use this product in a manner inconsistent with its labeling. Do not use on or near any food or foodstuffs. Do not use within areas where food or foodstuffs are being prepared. Keep out of reach of children. See back panel for additional precautions. If you have questions or comments about this product, please write: Sergeant's Pet Care Products, Inc., P.O. Box 540399, Omaha, NE 68154-0399. Call: 1-800-224-PETS (7387) Non-Emergency, call: 1-800-781-4738 In case of an Emergency, call: 1-800-781-4738

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

PHYSICAL OR CHEMICAL HAZARDS: Combustible: Do not use or store near heat or open flame. If inhaled, move the animal to fresh air. If not breathing, give artificial respiration. If breathing has stopped, perform artificial respiration and consult a veterinarian. To treat poisoning, consult a veterinarian before using any pesticide product on a pet. In cases of overexposure, consult a veterinarian. Do not allow cats to groom each other until solution has dried. Do not get this product in your pet's eyes or mouth. Do not apply more often than once every 30 days. Use only on Cats.

HAZARDS TO DOMESTIC ANIMALS: For cats over 5 lbs. and over 12 weeks of age. Consult a veterinarian before using this product on kittens or nursing or recovering animals. Sensitivities may occur after using different pesticides and/or overexposure. Consult a veterinarian before using this product on debilitated, aged, pregnant, or nursing animals. Sensitivities may occur after using different pesticides and/or overexposure. Consult a veterinarian before using this product on debilitated, aged, pregnant, or nursing animals. Sensitivities may occur after using different pesticides and/or overexposure.

HAZARDS TO HUMANS: Causes moderate eye irritation. Avoid contact with eyes and clothing. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, or using tobacco. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing. Call a poison control center or doctor for treatment advice. Have the product container or label with you when calling a poison control center or doctor or going for treatment. You may also call 1-800-781-4738 for emergency medical treatment information.
