**PRECAUTORY STATEMENTS**

**Hazards To Humans And Domestic Animals**

**CAUTION:** Harmful if swallowed. Keep away from children, domestic animals and pets. Causes moderate eye irritation. Do not get in eyes, or on clothing. All handlers (including applicators) must wear long-sleeved shirt and long pants, shoes plus socks, and gloves. Any person who inhales carboxal or unusual bait following application of this product must wear respirators.

**FIRST AID**

Have label with you when obtaining treatment advice.

**IF SWALLOWED:** Call a poison control center or doctor immediately for treatment advice.

- Have person sip a glass of water if able to swallow.
- Do not induce vomiting unless told to do so by the poison control center or doctor.

**IF IN EYES:**

- Hold open and rinse slowly and gently with water for 15-20 minutes. Do not rub eye. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye.
- Call a poison control center or doctor for treatment advice.

**NOTE TO PHYSICIAN**

If swallowed, the material may reduce the clotting ability of the blood and cause bleeding. If ingested, administer vitamin K1 intramuscularly or orally. Repeat as necessary based on monitoring of prothrombin times.

**TREATMENT FOR PET POISONING**

If animal eats bait, call veterinarian or 1-800-234-2269 at once.

**NOTE TO VETERINARIAN**

Anticoagulant Bromadiolone: For animals ingesting bait and/or showing passing signs of bleeding, give vitamin K1. If needed, check prothrombin times every 3 days until values return to normal (up to 30 days). In severe cases, blood transfusions may be needed.

**ENVIRONMENTAL HAZARDS:** This product is extremely toxic to mammals and birds. Dogs, cats and other predatory and scavenging mammals and birds might be poisoned if they feed upon animals that have eaten this bait. This pesticide is toxic to fish. Do not apply this product directly to water or areas where surface water is present or to intertidal areas below the mean high water mark. Runoff also may be hazardous to aquatic organisms in water adjacent to treated areas. Do not contaminate water when disposing of equipment wash water or residue.

---
