FOR USE ON ANY PET BEDDING

NaturVet Herbal Flea Powder can be used on any type of pet bedding, such as pillows, foam beds, blankets and cat condos.

The natural effectiveness of Eucalyptus, Lemongrass and Rosemary Oil repels fleas while providing superior deodorization leaving your pet's bed with a pleasant fragrance.

DIRECTIONS:
Sprinkle NaturVet Herbal Flea Powder directly on top of pet bedding, or inside pet bedding. Use as often as needed.

ACTIVE INGREDIENTS:
Eucalyptus Oil (.5%), Lemongrass Oil (.5%) and Rosemary Oil (.5%).

INERT INGREDIENTS:
Cellulose, Calcium Carbonate, Silica Aerogel and Magnesium Stearate. Total Inerts (99.5%)

This product is filled by weight not by volume, some settling will occur.

This product has not been registered by the U.S. EPA. Garnet Corporation represents that this product qualifies for exemption from registration under FIFRA.

100% MONEY BACK GUARANTEE

For use on dogs and cats

NaturVet Herbal Flea Powder can be used directly on dogs and cats over the age of six weeks.

The unique natural combination of Eucalyptus, Lemongrass and Rosemary Oil repels fleas while deodorizing and absorbing excessive skin oils. NaturVet Herbal Flea Powder will leave your pet with a fresh and pleasant fragrance.

DIRECTIONS:
Apply NaturVet Herbal Flea Powder on body and neck, around ears and on tail. Will not interfere with other spot-on products such as Advantage® (trademark of Bayer). Use as often as needed.

CAUTION:
For Animal Use Only
Keep Out of Reach of Children

Storage and Disposal: Store in a cool, dry place inaccessible to children and pets. Do not reuse empty container. Wrap in newspaper and discard in trash.
