**FIRST AID**

If in eyes: Hold open eyes and rinse eyes immediately with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eyes. Call a Poison Control Center or doctor for treatment advice. If on skin or clothing: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Get a fresh air or oxygen. See doctor if reaction persists.

See sides panel for additional precautionary statements.
