FIRST AID

IF IN EYES: Hold open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses (if worn). Continue rinsing eyes immediately with abundant water until all traces of material have been removed. Get medical help immediately.

IF INHALED: Remove to fresh air. If not breathing, call 911 or do artificial respiration. If breathing is difficult, give pure oxygen. Do not give by mouth to an unconscious person.

In CASE OF EMERGENCY, CALL A Poison Control Center or doctor or go to the nearest hospital.

NOTE TO PHYSICIAN: Prolonged usage may indicate the use of gastric lavage.

See additional precautionary statements on side panel.
