### INSECT REPELLENT

**PICARIDIN**

*Strong Repellency against Mosquitoes and Deer Ticks*

*With Vitamin E*

**Repellency** - Patented technology that provides strong and dependable repellency against mosquitoes, deer ticks, black flies, gnats, no-seeums, sand flies and biting midges.

**Suitable for the Entire Family** - Pleasantly scented, light feeling spray. Provides the whole family with an effective broad-spectrum outdoor insect repellent.

**Directions for Use** - It is a violation of Federal law to use this product in a manner inconsistent with its labeling. Read and follow all directions and precautions on this product label. Hold container 6 to 8 inches from skin and spray with a slow sweeping motion liberally and evenly. Do not spray in enclosed areas.

- Do not apply under clothing, on cuts, wounds, freshly shaved, excessively sunburned or irritated skin.
- To apply to face: Spray palm of hand and rub on, avoiding the eye and lip area. Use sparingly around ears. Use just enough repellent to cover exposed skin. Avoid over application of product. Do not allow children to handle this product. When applying to children, apply to your own hands and then put it on the child. Do not apply directly to children's hands. For continued protection from deer ticks, gnats, no-seeums, sand flies and biting midges repeatedly after 7 hours, for mosquitoes repeatedly after 6 hours, for black flies repeatedly after 5 hours. Do not exceed 2 applications per day.

**Storage** - Store in cool, dry place away from heat or flame.

**Disposal** - Do not puncture or incinerate. If emptied, place in trash or offer for recycling if available. If partially filled, call your local solid waste agency or 1-800-CLEANUP for disposal instructions.

**Precautionary Statements:** Hazards to Humans. Caution: Harmful if swallowed. Causes moderate eye irritation. Avoid contact with eyes and do not spray on face. Wash thoroughly with soap and water after handling, returning indoors, and before eating, drinking, chewing gum, or using tobacco. Wash treated clothing before wearing again. Discontinue use and consult a doctor if irritation or rash occurs.

**First Aid**
