For Use in Homes and in Non-Food Areas of Industrial Buildings: Schools, Warehouses, Office Buildings, Theaters, Garages, Motels and Hotels.

DIRECTIONS FOR USE
It is a violation of Federal Law to use this product in a manner inconsistent with its labeling. SHAKE WELL BEFORE USE. HOLD CONTAINER UPRIGHT. APPLY IN SHORT BURSTS. Do not use in commercial food processing or preparatory areas. In the home, cover all food processing surfaces and utensils during treatment or thoroughly wash before use. Cover exposed food. Remove pets and birds and cover fish aquariums before spraying.

TO KILL FLIES, GNATS, MOSQUITOES AND SMALL FLYING MOTHS: Close all doors and windows and direct spray upward into center of room with slow, sweeping motion. Spray 5-10 seconds for average room. Keep room closed for 15 minutes after spraying. Sweep up and discard fallen insects before spraying covered exposed food and animals.

TO KILL FLIES AND Ticks IN PET BEDDING AND PET AREAS: Remove and destroy pet’s old bedding. To reduce infestation, thoroughly spray the animal’s bedding, sleeping quarters, around basements, windows and door frames, wall cracks, local areas of floors, and other resting places until the surface is slightly moist. Treat these areas at the rate of two seconds per linear foot at a distance of 12-18 inches. Also spray the entire inside surface of dog houses. Repeat as necessary. Pet’s food in pet’s quarters after spray has dried. DO NOT SPRAY ANIMALS. Also treat dogs and cats with a registered flea and tick control product before allowing them to enter treated areas.

STORAGE AND DISPOSAL
Do not contaminate water, food, or feed by storage and disposal.

FIRST AID:
IF SWALLOWED: Immediately call a poison control center or doctor. Do not induce vomiting unless told to do so by a poison control center or doctor. Do not give anything by mouth to an unconscious person.

IF ON SKIN OR CLOTHING: Take off contaminated clothing immediately. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control center or doctor for treatment advice.

IF IN EYES: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice.

IF INHALED: Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth-to-mouth if possible. Have the product container or label with you when calling a poison control center or doctor or going for treatment. For information regarding medical emergencies or pesticide incidents, call 1-888-740-8712.
