Do it Best Corp., Ft. Wayne, IN

ANT & ROACH KILLER

For Use in Homes and Food & Non-Food Areas of Restaurants, Food Processing Areas and Other Commercial & Industrial Sites

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in any manner inconsistent with its labeling. Do not apply this product to any animal or in any manner while occupied by patients, the elderly or infants. Do not apply in classrooms, libraries, schools, offices, hospitals, laundries, tattoo parlors, beauty parlors, nail salons, dry cleaners, public libraries, public restrooms, public recreational areas, public transportation systems, public places, public transportation facilities, commercial aircraft, or in any other public place while occupied by patients, the elderly or infants.

Do not apply this product in occupied patient rooms or in any environment where occupied by patients, the elderly or infants. Do not apply to institutions (including libraries, sports facilities, etc.) in the immediate area where occupants are present. Do not use in serving areas where food is served or in an area where food is prepared or facility is in operation. Serving areas are the areas where prepared foods are served such as dining rooms but excluding areas where food may be prepared or held.

To dispose of partially used sprays, follow the directions for disposal with the container. Place in trash or offer for recycling if available. If partly filled: Call your local solid waste agency for disposal instructions.

STORAGE:

Store product in a cool, dry place, preferably a locked storage area. Contents under pressure. Do not use or store near heat or open flame. Do not puncture or incinerate. Harmful if swallowed or absorbed through skin. Avoid contact with skin, eyes, or clothing.

Keep out of reach of children!

INGREDIENTS:

Ant & Roach Killer

Caution:

Harmful if swallowed or absorbed through skin. Avoid contact with skin, eyes, or clothing.

First Aid:

If swallowed: Call a poison control center or doctor immediately for treatment advice. Do not give any liquid to the person. Do not induce vomiting unless told to do so by the poison control center or doctor. Do not give anything by mouth to an unconscious person.

For skin or clothing: Take off contaminated clothing. Sip plain water for 15-30 minutes. Call a poison control center or doctor for further treatment advice. Wash contaminated clothing before reuse.

Other Commercial & Industrial Sites

CAUTION

Keep out of reach of children!
