Heavy Weight Ant & Roach Killer kills on contact and keeps on killing with residual power for up to 4 weeks.

DIRECTIONS FOR USE: It is a violation of Federal Law to use this product in a manner inconsistent with its labeling. Apply the product only as an exterior spray or crack and crevice treatment to treated areas where pests are known or may occur. For use victories in the home, cover all food-handling surfaces and over or around all fixed and mobile objects, including furniture, bedsteads, and other cabinetry. For effective results, the product must be in contact with the pest or the surface on which the pest is on or in. The active ingredients are designed to be absorbed by the pest and cause death. For best results, apply the product in a manner that will ensure contact with the pest or the surface on which the pest is on or in.

FOR COCKROACH CONTROL: Cockroaches (adults, nymphs), American Cockroach, German Cockroach, Asian Cockroach, Scurvy Brown Cockroach, Brown-Banded Cockroach, Oriental Cockroach.

Crack & Crevice Treatment: Spray along cracks and crevices, inside and around cabinets, under or around appliances, and in other areas where pests are commonly found. Apply the product in a manner that will ensure contact with the pest or the surface on which the pest is on or in. Keep the treated area clean to prevent pest infestations.

Outdoor Application: Follow the directions on the label to ensure proper usage. Apply the product in a manner that will ensure contact with the pest or the surface on which the pest is on or in. Keep the treated area clean to prevent pest infestations.

STORAGE AND DISPOSAL:

Storage: Store product in a cool, dry place, preferably in a locked storage area.

Disposal Instructions: Do not spray directly on livestock. Do not apply this product to livestock animals or to any food or food-producing animal. Spray in a manner that will ensure contact with the pest or the surface on which the pest is on or in. Keep the treated area clean to prevent pest infestations.

PRECAUTIONARY STATEMENTS:

HAZARDS TO HUMANS AND DOMESTIC ANIMALS:

CAUTION: Harmful if swallowed or absorbed through the skin. Avoid contact with skin, eyes, or clothing. Wash thoroughly with soap and water after handling and before eating, drinking, or smoking. Do not use near livestock animals. Do not use on or in areas where livestock animals are concentrated. Keep children and domestic animals off treated areas until dry. Do not feed this product to pets.
