**VALUE SIZE**

**HEAVY WEIGHT® WASP & HORNET KILLER**

Heavy Weight® Wasp & Hornet Killer can be used both indoors (alleys and other places where nests are built and where food or feed are not exposed) and outdoors on Wasp, Hornet, and Yellow Jacket nests.

**DIRECTIONS FOR USE:**

- **SHAKE WELL BEFORE USE.**
- **OUTDOOR USE:** Under eaves, near window frames, doorways, corners, picnic areas, and outdoor play areas.
- **INDOOR USE:** Alleys, and anywhere nests are built and where food or feed are not exposed. Kills insects and eliminates the nest where they live and breed. Insects will fall to the ground and die after spraying. Kills any insects inside the nest as well as any returning.

**For Control of Wasps, Yellow Jackets, Hornets, and other Listed Insects:**

- **Bait Bait:** Spray at entrance or near where insects are nest. Stand a safe distance from the nest. Do not stand directly underneath. Shake can well before each use. Hold can upright and spray away from person. Push button to spray. Aim actuator at the opening in the nest and cover until aerosolized. Then spray the nest of the nest until it is saturated. This product's powerful spray will also kill insects that return to the nest. Wait at least 24 hours before removing the nest.

**To Kill Wasps, Hornets, Yellow Jackets, Fire Ants, Spiders (including Black Widow Spiders), Scorpions, Crickets, Ants, Fleas, Ticks, Centipedes, Lmages, Flea, and Mosquitoes:** Spray 1-2 ounces until surface is moist to kill insects. Sprays around screens, windows, doors, glass, cracks, holes and crevices or wherever insects are found. To prevent insects from entering the home, spray around areas where insects enter such as outdoor plumbing, vents, etc., and crevices or crevices in foundations as well as along skids and ladders.

**Use Tips:**
- **Wind:** Wind the lid at least 1 year to prevent spray drift. Avoid spraying vegetation directly. Make sure there are no drywall holes that the solution is contacted with spray.

**General Precautions & Restrictions:**

- **Avoid contamination of food and beverages.** Do not use in commercial facilities or areas where food will be handled or consumed, or where children are present. Do not store solution in drywall holes that the solution is contacted with spray.

**STORAGE AND DISPOSAL**

- **Do not contaminate food, feed, or food by storage and disposal.** Place it in a cool, dry area. Always return unused portions to the original container. Store away from food and pet food. **Do not store in or near food or pet food.**

**PRECAUTIONARY STATEMENTS:**

**HAZARDS TO HUMANS AND DOMESTIC ANIMALS**

- **CAUTION:** Harmful to insects adsorbed through skin or ingested. Avoid contact with skin, eyes, or clothing. Avoid breathing vapor or spray mist. Wash thoroughly with soap and water after handling or before eating, drinking, chewing gum, or using tobacco. Remove and wash contaminated clothing before reuse.

**ENVIRONMENTAL HAZARDS:**

- **Physical or Chemical Hazards:** Contact away from stoves. Do not use or store near food or water. Do not store in or near food or pet food.

- **Exposure to temperatures above 130°F may cause bursting. Do not allow this product to come into contact with electrical equipment.**

**FIRST AID:**

- **If swallowed:** Immediately call a poison control center or doctor. Do not induce vomiting unless told to do so by a poison control center or doctor. Do not give any liquid to the person. Do not give anything by mouth to an unconscious patient.

- **If skin or clothing:** Take off contaminated clothing. Wash skin immediately with plenty of water for 15-20 minutes. Call a poison control center or doctor for further advice.

- **If inhaled:** Move person to fresh air. 1. If person is not breathing, call 911 or an ambulance. If the person has artificial respiration, remove the mouthpiece. 2. If person is not breathing, call 911 or an ambulance. If the person has artificial respiration, remove the mouthpiece.

- **If exposed to eyes:** Wash eyes with plenty of water for 15-20 minutes. Call a poison control center or doctor for further advice.

**USE INDOORS AND OUTDOORS**

**Active Ingredients:**

- Tetramethrin (1-[1-[(1-cyclohexene-1-yl)oxy]-1-methylethyl]-1-methyl-3-[(methylprop-2-enyl)oxy]cyanoctane-2-carboxylate) 0.00%
- Sumithion (2,2-bis(1,3-phenoxycarbonyl)propionate) 0.00%
- Technical grade of 2,2-dimethyl-4-(2-methy1prop-1-enyl)cyano-1-methyl-3,4-oxazolyne 0.00%

**Keep out of reach of children.**

**Net WT. 1lb. 2 oz. (18 oz./510g)**

**EPA Reg. No. 1025-1786-17111**

EPA Est. No. 5N06040-1 (A), EPA Est. No. 11025-64-1 (B)
