ACTIVE INGREDIENT:
SODIUM HYPOCHLORITE 12.5%
INERT INGREDIENTS
Total: 126.5%
AVAILABLE CHLORINE: 71.0%

KEEP OUT OF REACH OF CHILDREN
DANGER - PELIGRO

FIRST AID

If in eye:
- Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, and continue rinsing eyes.
- Call a poison control center or doctor for treatment advice.

If on skin or Clothing:
- Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control center or doctor for treatment advice.

If inhaled:
- Call a poison control center or doctor for immediate treatment advice.

If swallowed:
- Have person rinse mouth with water and give 1 ounce of water or milk. DO NOT induce vomiting unless told to do so by a poison control center or doctor.

NOT FOR USE IN OR ON non-porous surfaces.

NOTE TO PHYSICIAN

PROVIDE FIRST AID PROMPTLY.

ENVIRONMENTAL HAZARDS

This product is toxic to both aquatic and terrestrial organisms. Do not discharge effluent containing this product into streams, lakes, ponds, shores, oceans, or other water bodies in accordance with the requirements of a National Pollutant Discharge Elimination System (NPDES) permit and the permitting authority has been notified in writing prior to discharge. Do not discharge effluent containing this product to sewage systems without notifying the local sewage treatment plant authority. For guidance contact your State Water Board or Regional Office of the EPA.

PHYSICAL OR CHEMICAL HAZARDS

STORAGE AND DISPOSAL

Store this product in a cool dry area, away from direct sunlight and heat to avoid deterioration. In case of spill, flush with water. Avoid contact with eyes, mouth, or broken skin. Personal protective equipment should be used during cleaning and maintenance. Disposal Instructions: Clean up spills with absorbent material. Use absorbent material to control spill, absorb, and treat waste material. Call your local waste disposal facility for specific disposal instructions. Do not contaminate food or feed by disease or cleaning of equipment.
