**SENTRY PurrScriptions PLUS**

Squeeze-on For Cats And Kittens

---

**PRECAUTIONARY STATEMENTS**

**HAZARDS TO HUMANS AND DOMESTIC ANIMALS**

**CAUTION**

HAZARDS TO HUMANS: Causes moderate eye irritation. Avoid contact with eyes and clothing. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, or using tobacco. Repeated exposure to ethopropoxuron can cause skin irritation.

HAZARDS TO DOMESTIC ANIMALS: For External Use Only. Do not use on cats under 12 weeks of age. Consult a veterinarian before using this product on a debilitated, aged, pregnant, or nursing animal. Sensitivities may occur after using any pesticide product for pets. If signs of sensitivity occur, bathe your pet with mild soap and rinse with large amounts of water. If signs continue, consult a veterinarian immediately. Certain medications can interact with pesticides. Consult a veterinarian before using on medicated animals.

**PHYSICAL OR CHEMICAL HAZARDS:** Combustible. Do not store near heat or open flame.

**FIRST AID**

**IF IN EYES:** Hold eye open and rinse slowly and gently with water for 15–20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing. Call a poison control center or doctor for treatment advice. Have the product container or label with you when calling a poison control center or doctor for treatment. You may also contact 1-800-781-4738 for emergency medical treatment information.

**DIRECTIONS FOR USE**

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling. Do not apply this product on your pet’s eyes or mouth. Do not apply more often than once every 30 days. Use only on cats. Do not bathe pet within the first 24 hours after spot-on has been applied. Households with more than one cat should not allow cats to groom each other until solution has dried.

**FOR USE ON CATS:**

Weighing 5 pounds or more—Apply contents of one (1.4 mL) (0.047 fl. oz.) tube of Sentry® PurrScriptions® Plus Squeeze-on as a spot or stripe, starting high on the back of the cat’s neck to in front of the shoulder blades.

**HOW TO APPLY:**

Remove product tube from the package. Holding tube with notched end pointing up and away from the face and body, cut off the narrow end at the notches. While holding the animal with one hand, use the other hand to apply the solution. Insert the tube and use the narrow end to part the animal’s hair while gently squeezing to apply to the animal’s skin. Hold the animal for a few seconds to give the solution time to be absorbed into the animal’s coat. When finished, wrap the tube in paper and put into the trash.

**STORAGE AND DISPOSAL**

**PESTICIDE STORAGE:** Do not remove tube from the pack until ready to use. Store in a cool (below 25˚C), dry place out of reach of children and pets. Do not refrigerate. Protect from direct sunlight.

**PESTICIDE DISPOSAL AND CONTAINER HANDLING:** Nonrefillable container. Do not reuse or refill this container. If empty: Place in trash or offer for recycling if available. If partly filled: Call your local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain.
