over 12 weeks of age

Squeeze-On for Cats and Kittens
• Kills Fleas and Deer Ticks
• Repels Mosquitoes

KEEP OUT OF REACH OF CHILDREN

HAZARDS TO HUMANS:
Causes moderate eye irritation. Avoid contact with eyes and clothing. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, or using tobacco. Wash any exposed areas with soap and water. If eye irritation persists, consult a healthcare professional.

HAZARDS TO DOMESTIC ANIMALS:
For External Use Only. Do not apply to pets under 12 weeks of age. Consult a veterinarian before using this product on debilitated, aged, pregnant, or nursing animals. Sensitivities may occur after using ANY pesticide product on pets. If signs of sensitivity occur, bathe your pet with mild soap and rinse with large amounts of water. If signs continue, consult a veterinarian immediately.

PHYSICAL OR CHEMICAL HAZARDS:
Combustible: Do not use or store near heat or open flame.

FIRST AID:
IF IN EYES:
Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing. Call a poison control center or doctor for treatment advice. Have the product container or label with you when calling a poison control center or doctor or going for treatment. You may also contact 1-800-781-4738 for emergency medical treatment information.

DIRECTIONS FOR USE:
It is a violation of Federal Law to use this product in a manner inconsistent with its labeling. Do not get this product in your pet's eyes or mouth. Do not apply more often than once every 30 days. Use only on cats. Do not bathe pet within the first 24 hours after squeeze-on has been applied. Households with more than one cat should not allow cats to groom each other until solution has dried.

FOR USE ON CATS:
Weighing 5 pounds or more - Apply one 0.047 fl oz (1.4 mL) tube of SENTRY® Purrscriptions® Squeeze-On for Cats and Kittens solution as a spot or stripe, starting high on the back of the cat's neck to in front of the shoulder blades.

HOW TO APPLY:
Remove product tube from the package. Holding tube with notched end pointing up and away from the face and body, cut or tear off the narrow end at the notches. While holding the animal with one hand, use the other hand to apply the solution. Invert the tube and use the narrow end to part the animal's hair while gently squeezing to apply to the animal's skin. Hold the animal for a few seconds to give the solution time to be absorbed into the animal's coat. When finished, wrap the tube in paper and put it into the trash.
