Call a Poison Control Center or doctor for further treatment advice.

DIRECTIONS FOR USE
It is a violation of federal law to use this product in a manner inconsistent with its labeling. Do not apply the product in a way that will contact workers or other persons.

SURFACE PREPARATION: Apply only to dry, clean surfaces free of dirt, grease, mold or other contaminants. Follow the surface preparation directions on the product data sheet for the type of surface to be coated.

DO NOT THIN: Apply Foster 40-20 by brush or airless spray at a rate of approximately 1.25 gallons per 100 square feet. Always ensure adequate ventilation. Brushing will require two heavy coats applied at 90° to each other. Under normal circumstances a spray application can be completed in one coat, but for extremely porous or irregular surfaces, a second coat may be required. Ensure that the finished surface is smooth and homogeneous. Foster airless spray application, use an electric 30:1 unit such as a Graco Ultra-Max 1105 with a .021-.025 fluid tip and 600-900 psi atomizing pressure at the gun. Clean brushes and equipment with warm water before product dries. Refer to the product data sheet for more complete information on product use sites and application procedures.

STORAGE AND DISPOSAL: Do not contaminate water, food, or feed by storage and disposal.

PESTICIDE STORAGE: Protect from freezing – product stability may be affected. Do not store or apply at temperatures over 100°F (38°C) or below 40°F (4.4°C). Keep container closed when not in use.

PESTICIDE DISPOSAL: State or local hazardous waste regulations may apply if they are different from the federal regulations. Wastes resulting from the use of this product may be disposed of according to applicable federal, state, or local procedures.

For additional waste disposal information call the H.B. Fuller Company Environmental Services at 800-339-2979.

CONTAINER DISPOSAL: Nonrefillable container. Do not reuse or refill this container. For recycling if available or puncture and dispose of in a sanitary landfill, or by incineration, or, if allowed by state and local authorities, by burning. If burned, stay out of smoke.
