**PERSONAL PROTECTIVE EQUIPMENT (PPE)**

Some methods that are used to clean and disinfect the contaminated area in which an individual is located are appropriate for their health and safety. Contact your local health department for additional guidance.

**Emergency Response**

In case of spills, please call the NFPA number (1-800-424-8802). For more information, please visit the NFPA website (www.nfpa.org).

**Storage and Disposal**

Store at room temperature, away from strong light and moisture. Do not store in a northerly location.

**Risk Assessment**

When using this product, an area that is located immediately downwind of the work area should be monitored for toxic gases. If toxic gases are detected, the area should be evacuated and the product should be removed from the area.

**Personal Protective Equipment**

- Eye protection, such as chemical splash goggles or face shield.
- Respiratory protection, such as a high-efficiency particulate air (HEPA) respirator.
- Personal protective clothing, such as coveralls or disposable protective suits.

**Environmental Considerations**

- Limited waste disposal.
- Disposal of hazardous waste.
- Disposal of non-hazardous waste.
- Disposal of electronic waste.
- Disposal of medical waste.

**Restrictions**

- Do not mix with any other products or solvents.
- Do not use on or near any type of plastic or vinyl products.
- Do not use on or near any type of rubber or rubber products.
- Do not use on or near any type of metal.

**Additional Information**

- For more information, please visit the manufacturer's website (www.manufacturer.com).

**Precautionary Statements**

**DANGER**

- Avoid contact with eyes, skin, or mucous membranes.
- Avoid breathing dust, fumes, or smoke.
- Avoid contact with clothing, shoes, or other surfaces.

**PRECAUTIONARY STATEMENTS**

**EMERGENCY INFORMATION**

- Do not eat or drink anything.
- Do not inhale.
- Do not breathe dust.
- Do not breathe dust, fumes, or smoke.
- Do not drink.
- Do not inhale dust, fumes, or smoke.
- Do not inhale dust, fumes, or smoke.
- Do not inhale dust, fumes, or smoke.
- Do not inhale dust, fumes, or smoke.
- Do not inhale dust, fumes, or smoke.
- Do not inhale dust, fumes, or smoke.
- Do not inhale dust, fumes, or smoke.
- Do not inhale dust, fumes, or smoke.
- Do not inhale dust, fumes, or smoke.
- Do not inhale dust, fumes, or smoke.
- Do not inhale dust, fumes, or smoke.
- Do not inhale dust, fumes, or smoke.
- Do not inhale dust, fumes, or smoke.

**DANGERS TO HUMANS AND DOMESTIC ANIMALS**

- Keep out of reach of children and pets.
- Keep children from touching or ingesting the product.
- Keep children from swallowing the product.
- Keep children from skinning the product.
- Keep children from inhalation of the product.

**PERSISTENT**

- Pesticides: persistent, means those pesticides that have been shown to persist in the environment for long periods of time and that may pose a risk to human health.

**PETROLEUM**

- Petroleum: petroleum is a mixture of various hydrocarbons that is used in a variety of industrial processes.

**PERMEABILITY**

- Permeability: the ability of a material to allow the passage of a fluid through it.

**PERSISTENCE**

- Persistence: the ability of a substance to remain in the environment for a long period of time.

**PESTICIDES**

- Pesticides: substances that are used to control pests, including insects, weeds, and other unwanted organisms.

**PESTICIDE**

- Pesticide: a substance that is used to control pests.

**PESTICIDE RESIDUES**

- Pesticide residues: the amount of a pesticide that remains on or in a foodstuff after it has been used.

**PESTICIDE RESIDUE**

- Pesticide residue: the amount of a pesticide that remains on or in a foodstuff after it has been used.

**PESTICIDE USE**

- Pesticide use: the act of using a pesticide.

**PESTICIDE USE HISTORY**

- Pesticide use history: the history of pesticide use in an area.

**PESTICIDE USE PERIOD**

- Pesticide use period: the time period during which a pesticide is used.

**PESTICIDE USE REGULATION**

- Pesticide use regulation: the regulation that governs the use of pesticides.

**PESTICIDE USE RESTRICTION**

- Pesticide use restriction: a restriction that governs the use of pesticides.

**PESTICIDE USE RESTRICTION PERIOD**

- Pesticide use restriction period: the period during which a pesticide is restricted.

**PESTICIDE USE RESTRICTION PERIOD END**

- Pesticide use restriction period end: the end of the period during which a pesticide is restricted.

**PESTICIDE USE RESTRICTION PERIOD START**

- Pesticide use restriction period start: the start of the period during which a pesticide is restricted.

**PESTICIDE USE RESTRICTION PERIOD END**

- Pesticide use restriction period end: the end of the period during which a pesticide is restricted.

**PESTICIDE USE RESTRICTION PERIOD START**

- Pesticide use restriction period start: the start of the period during which a pesticide is restricted.

**PESTICIDE USE RESTRICTION PERIOD END**

- Pesticide use restriction period end: the end of the period during which a pesticide is restricted.

**PESTICIDE USE RESTRICTION PERIOD START**

- Pesticide use restriction period start: the start of the period during which a pesticide is restricted.

**PESTICIDE USE RESTRICTION PERIOD END**

- Pesticide use restriction period end: the end of the period during which a pesticide is restricted.

**PESTICIDE USE RESTRICTION PERIOD START**

- Pesticide use restriction period start: the start of the period during which a pesticide is restricted.

**PESTICIDE USE RESTRICTION PERIOD END**

- Pesticide use restriction period end: the end of the period during which a pesticide is restricted.

**PESTICIDE USE RESTRICTION PERIOD START**

- Pesticide use restriction period start: the start of the period during which a pesticide is restricted.

**PESTICIDE USE RESTRICTION PERIOD END**

- Pesticide use restriction period end: the end of the period during which a pesticide is restricted.

**PESTICIDE USE RESTRICTION PERIOD START**

- Pesticide use restriction period start: the start of the period during which a pesticide is restricted.

**PESTICIDE USE RESTRICTION PERIOD END**

- Pesticide use restriction period end: the end of the period during which a pesticide is restricted.

**PESTICIDE USE RESTRICTION PERIOD START**

- Pesticide use restriction period start: the start of the period during which a pesticide is restricted.

**PESTICIDE USE RESTRICTION PERIOD END**

- Pesticide use restriction period end: the end of the period during which a pesticide is restricted.

**PESTICIDE USE RESTRICTION PERIOD START**

- Pesticide use restriction period start: the start of the period during which a pesticide is restricted.

**PESTICIDE USE RESTRICTION PERIOD END**

- Pesticide use restriction period end: the end of the period during which a pesticide is restricted.
